

### YEARLY STATUS REPORT - 2020-2021

### Part A

### **Data of the Institution**

1. Name of the Institution GOVERNMENT COLLEGE OF

ENGINNERING, SALEM

• Name of the Head of the institution Dr.C.VASANTHANAYAKI

• Designation Principal

• Does the institution function from its own Yes

campus?

• Phone No. of the Principal 04272346157

• Alternate phone No. 04272346102

• Mobile No. (Principal) 9487564005

• Registered e-mail ID (Principal) principal@gcesalem.edu.in

• Address NH 7, BANGALORE HIGHWAY,

SALEM-636011

• City/Town Salem

• State/UT Tamil Nadu

• Pin Code 636011

2.Institutional status

• Autonomous Status (Provide the date of 28/11/2018

conferment of Autonomy)

• Type of Institution Co-education

• Location Rural

Page 1/73 21-07-2023 04:32:01

• Financial Status

Grants-in aid

• Name of the IQAC Co-ordinator/Director Dr. A.RUBY MEENA

• Phone No. 04272346102

• Mobile No: 9486872678

• IQAC e-mail ID igac@gcesalem.edu.in

3. Website address (Web link of the AQAR (Previous Academic Year)

https://qcesalem.edu.in/sites/qce salem.edu.in/files/Department att achments/agar report2019-2020.pdf

4. Was the Academic Calendar prepared for that year?

Yes

• if yes, whether it is uploaded in the Institutional website Web link:

https://gcesalem.edu.in/sites/gce salem.edu.in/files/Downloads/Acad emic%20Schedule%202020%20-%202021 %20Even%20Semester%20Except%20Fir st%20Year.pdf

### 5.Accreditation Details

| Cycle   | Grade | CGPA | Year of<br>Accreditation | Validity from | Validity to |
|---------|-------|------|--------------------------|---------------|-------------|
| Cycle 1 | B+    | 2.58 | 2018                     | 02/11/2018    | 01/11/2023  |

### 6.Date of Establishment of IQAC

06/08/2018

### 7. Provide the list of Special Status conferred by Central and/or State Government on the Institution/Department/Faculty/School (UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC, etc.)?

| Institution/ Depart<br>ment/Faculty/Sch<br>ool | Scheme | Funding Agency | Year of Award with Duration | Amount  |
|--|--------|----------------|-----------------------------|---------|
| Institution                                    | TEQIP  | World Bank     | 01/09/2017                  | 7000000 |
| ECE  | MODROB | AICTE          | 04/04/2019                  | 1306000 |

### 8. Provide details regarding the composition of the IQAC:

• Upload the latest notification regarding the composition of the IQAC by the HEI

**View File** 

### 9.No. of IQAC meetings held during the year 2

- Were the minutes of IQAC meeting(s) and Yes compliance to the decisions taken uploaded on the institutional website?
- If No, please upload the minutes of the meeting(s) and Action Taken Report

No File Uploaded

10.Did IQAC receive funding from any funding agency to support its activities during the year?

• If yes, mention the amount

### 11. Significant contributions made by IQAC during the current year (maximum five bullets)

Faculty members and students are motivated to attend the various training programs in parent institute and other reputed institutes. Also faculty members are encouraged to organize workshop and training programs in the college premises.

Students of all the branches have attended internship programmes in various organisations.

Workshops and Training Programmes were conducted for UG and PG Students to enhance the learning and management skills. Under the financial support from TEQIP, GATE exam preparation classes, Career counseling, Employability Skill Training, Industry readiness programs were effectively organized.

Students are motivated to participate in Orientation Session on National Innovation and Startup Policy (NISP)

Students have participated in the webinars titled Intellectual Property Rights and IP Management for Startups, Entrepreneurship and innovation as career opportunity and Design Thinking Workshop.

12.Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:

| Plan of Action   | Achievements/Outcomes   |  |  |
|--|---|--|--|
| Initiation should be taken steps to get Accreditation for all departments                                  | SAR submitted to NBA for B.E Civil Engineering, Electronics and Communication Engineering, Mechanical Engineering Departments and M.E Power Electronics and Drives and got accreditation for the period 2021-2024.                            |  |  |
| Each department should organize  Conference / Symposiums/workshops / FDP in  every academic year           | All the departments have organized Faculty Development Training programs/Workshops etc., and few Departments have organized International Conferences and Workshops.  |  |  |
| Faculty members are motivated to register for online course for quality improvement and Career advancement | 65 faculty members have obtained certificates by participation in the online SWAYAM, NPTEL, ATAL and NITTT courses.   |  |  |
| Participation in the programmes organised by other Institutions  | Many faculty members attended FDP, Workshops, Training Programs, Industrial training etc in reputed organizations.  |  |  |
| Faculties should be motivated to publish the research articles in high impact factor journals              | Totally 122 papers have been published in peer-reviewed national and international journals in the academic year 2020-2021 and average citation index is 66.  |  |  |
| Employability Skill Test programmes to students of all branches  | The placement percentage is 62% in 2020-2021 through the Employability Skill Test and Training.   |  |  |
| Every department should sign MoU with minimum 2 companies per year   | Civil engineering department have signed one MoU for 3 years and one MoU for 5 years. EEE department have signed one MoU for 5 years. CSE department have signed one MoU for 2 years and one MoU for one year in the academic year 2020-2021. |  |  |

| The average pass % of passed out students should be more than 90%  | The average pass % of passed out UG students in 2020-2021 is 80 % and PG Students is 97 %.  |
|--|---|
| Training Programmes should be organized for students to compete in competitive examinations like GATE, etc., and to improve placements | Civil Engineering department have conducted coaching classes to parent institute and to all Engineering colleges in Tamilnadu for GATE examination. |
| E-resource content in Library should be enhanced   | GCE have subscriptions to e-<br>resources and subscription to<br>SCOPUS under AICTE e-ShodhSindhu<br>Scheme.  |
| Faculty members should be motivated to prepare for online teaching learning process  | Google classroom created for each course and online classes were taken to the students through Gmeet.   |
| Faculty members should be motivated to participate in virtual internship training programs due to pandemic.                            | Many of faculty members have participated in the virtual Internship training in the preparation of Video modules of processes in industries.        |

### 13. Was the AQAR placed before the statutory Yes body?

• Name of the statutory body

| Name of the statutory body | Date of meeting(s) |  |
|----------------------------|--------------------|--|
| BOG                        | 19/01/2021         |  |

### **14.**Was the institutional data submitted to AISHE?

Yes

• Year

| Part A   |   |  |  |  |
|--|---|--|--|--|
| Data of the Institution  |   |  |  |  |
| 1.Name of the Institution                                      | GOVERNMENT COLLEGE OF<br>ENGINNERING, SALEM |  |  |  |

### 15. Multidisciplinary / interdisciplinary

Government College of Engineering, Salem's mission and vision is to provide a comprehensive range of programs at a global standard in Engineering, and Technology, and to foster research and develop global competence. Basic Science & Humanities, Professional core and electives, open electives, employability enhancement courses, and mandatory courses are emphasized in the CBCS curriculum. All B.E. programs have Humanities and Basic Science courses that makeup around 20% of the total curriculum. Students at CBCS can choose their courses and credits to prepare themselves for their future career based on their preferences. Industry internships, courses oriented to industry, online industrial courses, and industrial mentorship are all available as part of the curriculum. Students may choose open electives and core electives according to NEP 2020 policy to support multidisciplinary education.

#### 16.Academic bank of credits (ABC):

There have been initial efforts to implement an Academic Bank of Credit (ABC) in order to digitally store the academic credits earned by the students, and the process to do so has been initiated and is being considered.

#### 17.Skill development:

Employabilty skill training programs were conducted to improve the students employabilty skills.

The curriculum itself student Internship training program in industry is made mandatory for all the students and the state government grants funds for those students who are participating in the inernship training program. This will enhance the students employabilty skills.

### 18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

In order to motivate students, it is important for them to work on projects that benefit societal welfare in some way. As part of the B.E Regulation 2022, environmental science and engineering has been made mandatory course in the CBCS curriculum in order to raise awareness of environmental issues among kids and youngsters. Several clubs, such as Tamil literature club, dance and singing clubs, and other activities are organized in our campus to promote the Indian and Tamil cultures.

Page 11/73 21-07-2023 04:32:01

### 19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

Program Educational Objectives (PEOs), Program Outcomes (POs), and Course Outcomes (COs) are conceptualized in a holistic manner and are assessed and achieved. The following systematic steps are assessed to achieve the OBE in our institute:

- Development of Program Outcomes and Program Educational Objectives in alignment with departmental and institute missions and visions.
- Setting up a mapping between the PO and the PEO.
- Planning and developing course outcomes for each course, such as theory subjects, projects, surveys, etc.
- An assessment of both internal and external assessments is used to calculate Net CO attainment.
- Evaluation of program outcomes based on actual and expected outcomes.
- Finally, batch-wise comparisons of POs and PEOs are carried out as well as the attainment of PEOs.

Assessment of Outcome Based Education can be enhanced by the attainment of PEOs and POs. Furthermore, the attainment will help the institute review its PO, PEO, and Vision and Mission in the future.

#### **20.Distance education/online education:**

A number of the faculty members are proficient in developing electronic content and in using technological tools, as well as teaching-learning strategies, as part of their teaching-learning process. In order to facilitate academic practice and to apply innovative teaching methods, the institution has a learning management system (LMS).

To be able to provide the best possible learning environment for the students, the department and the institution will provide high-quality assistance to students in regard to their academic and career development. The department and the institution arrange sessions on a variety of issues such as career opportunities, GATE awareness and education abroad. It is important to be aware that students have access to both class counselors and instructor advisors; they provide guidance and support for the successful emergence of each student into a successful career.

By participating in technical and non-technical events, such as national and international conference presentations, hackathons,

Page 12/73 21-07-2023 04:32:01

project design contests, etc., students are encouraged to interact with the outside world. Aside from facilitating personal achievement and insight, NEP's mission is to promote active participation in public activities and a productive contribution to society as listed in its policy.

It is mandatory for all engineering programs to comply with the AICTE model curriculum outlined in Regulation 2022 on the basis of the CBCS curriculum and the syllabi of all engineering programs. In order to facilitate the delivery of a multidisciplinary education according to NEP policy, students are encouraged to select open electives as well as professional electives that are of interest to them. As a result of the involvement of various clubs and organizations in and across the university, numerous events are held throughout the year for the students to actively participate in. The NSS and NCC activities are going to be included in the upcoming regulations in order to encourage students to consider joining the NSS and NCC wings if they have any interest in doing so.

### **Extended Profile**

### 1.Programme

### Part B

#### **CURRICULAR ASPECTS**

### 1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

The curriculum has been periodically updated to meet the industrial needs and to encourage the entrepreneurship quality among the students. As our Institution is a recognized research centre under Anna University, curriculum is designed to develop innovative ideas and solutions to the exciting /novel problems. All programme's curriculum is framed by the regular faculty members with the guidance of the Head of the Department

maintaining the composition (Basic Science, Engineering Sciences, Humanities and Social Sciences, Program Core, Program Electives, Open Electives, Projects Work and Employability Enhancement courses) given in AICTE model curriculum. Feedback collected from the students, faculty members, alumnae, employers, parents and industry experts are considered and the short -comings are identified and measures are taken to overcome the short-comings in the new curriculum. Analysis is done for attaining the PO/PSO's through the curriculum. Finally, the curriculum and syllabus are presented to the Board of Studies expert members constituted as per UGC norms, Institute Standing Committee and Academic Council for approval.

### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

The Institution offers different types of courses in the

Page 18/73 21-07-2023 04:32:01

curriculum like Environmental Science, Professional Ethics and Human Values, Industrial Safety Management, Disaster Management, Environment and Pollution Control, Waste to Energy, Industrial Safety, Constitution of India, Value Engineering etc., thereby leading to the holistic development of students.

#### 1. Gender issues

Anti Gender Harassment Committee/Prevention and Prohibition of Sexual Harassment of women employees and students was constituted and functioning in the campus. This committee addresses gender related issues and registers complaints with respect to gender harassment at work and suggests punishments. Women Empowerment Cell organizes workshops for gender related issues periodically.

- 2.As an integral part of student engagement in social activities during their programme of study, college also facilitates the students to enroll as NSS/NCC Volunteers. Students organizes Fit India marathon, yoga appreciation program, social service, poster & painting competition onpreamble & fundamentals of citizens, respect for women & girl child, awareness campaigns, debates etc. Human values activities by students are being conducted since inception.
- 3. In order to sensitize students about the environment and sustainability issues, a number of activities suchas seminars, workshops, guest lectures, industry visits and field excursions are organized for students of all programmes.

### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

Here we believe in outcome-based learning processes, where we categorize the students through valid support from Faculty advisors, based on the class interaction and test performances.

Strategies for slow learners

Remedial Classes are conducted to improve the academic performance of the slow learners, and to help them to catch up with their peers.

Strategies for advanced learners

- 1. Skill Development Programme like Communicative English, Aptitude are conducted.
- 2. Trained for placement, GATE and other competitive exams.
- 3. Assignment and Student Seminars on contemporary topics to enable them for placement.
- 4. The academic achievements of the students are extremely motivated by honoring them with Medals on Award day ceremony and Graduation Day.
- 5. Appointed as member in board of studies and office bearers of student council, department association and various professional bodies to develop their communication, leadership & team building skills.
- 6. They are encouraged to participate in:
- (i) MOOC Courses under Swayam platform.
- (ii ) Various Seminars/ Conferences/ Workshops/ Inter-Collegiate Competitions.

- (iii) National /International level hackathons and competitions.
- (iv) Debate, Group Discussion, Problem Solving Decision Making Exercises and Quiz Programmes.
- (v) Extra-curricular activities, exhibitions and cultural competitions.
- (vi) Innovative projects and other technical initiatives of the Institute.

### 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

GCE provides platform to grow, develop skills and nurture values that shape student minds. Student oriented innovative programs to creativity, enhance problem solving capabilities and ensure participative learning are conducted. Following student centric methods are adopted:

### Experiential Learning:

- 1. Beyond syllabus laboratory sessions and periodic Industrial visits
- 2. Hands on training through internships are made compulsory

- 3. Student Technical clubs like Institute of EEE, e-yantra Robotics, startup cell
- 4. Value added Certificate courses from MOOCs, NPTEL, MNCs like Microsoft/ Google/ NSE etc., enhance subject knowledge
- 5. Participation in Simulated stock exchanges and hackathons help students work on real life scenarios

### Participatory Learning:

- 1. Gceofest, Symposia for Paper, Project and Poster presentations for every department is conducted annually and students are encouraged to take part in Inter-college / Nationwide conferences, seminars.
- 2. To enhance student Managerial skills activities like English Literature Society and Tamil Mandram events are held to inculcate extra-curricular skills

The Annual cultural program organized for students is an arena for creativity

Problem-solving Skills:

Student Mini Project development, Solution to Environmental Problems, Quizzes, Case studies, Debates, in inter-intra college help students acquire problem solving qualities.

### 2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

The teachers are combining technology with traditional mode of instruction to engage students in long term learning. College uses Information and Communication Technology (ICT) in education to support, enhance, and optimize the delivery of education.

The following tools are used by the Institute, ICT Tools:

Page 24/73 21-07-2023 04:32:01

### E-resources and techniques used

INDEST consortium

- 1. E-journals ASME
- 2. Online catalogs
- 3. Indexes & full text databases
- 4. E-books
- 5. Online tutorials & Library guides
- 6. Electronic reserve & PDF formatted

Online websites

Coursera

Openlearn

Edx

NPTEL

National Academy of Engineering

Engineer & free

Swayam prabha channel

Infosys campus connect

TCS-campus commune

ICT academy-skilledge

Use of ICT by Faculty

- 1. Power Point Presentations- Faculties use power-point presentations for teaching using LCD's and projectors. Access to online search engines and websites is provided through digital library.
- 2. Industry Connect- Guest lectures, expert talks and various

technical competitions are organized for students in the well equipped seminar and conference halls.

- 3. Online quiz- Online quizzes are conducted for students after the completion of each unit through GOOGLE FORMS
- 4. Video Conferencing- Student Counselling is offered via Google meet applications.
- 5. Video lecture- Recorded Video Lectures are made available for long term learning and future referencing.

#### 2.3.3 - Ratio of students to mentor for academic and other related issues

### 2.3.3.1 - Number of mentors

109

| File Description  | Documents        |
|---|------------------|
| Upload year-wise number of students enrolled and full-time teachers on roll | <u>View File</u> |
| Circulars with regard to assigning mentors to mentees                       | No File Uploaded |

### 2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

An Academic committee is formed constituting the Principal, Vice Principal, HODs, Industrial experts and university nominees to formulate academic regulations, curriculum, and academic schedule.

### 1. Academic calendar:

The Academic Committee collects the plan of action and puts forth a well-planned Academic calendar which is displayed in the notice boards and website for student access.

Page 26/73 21-07-2023 04:32:01

### 2. Teaching Plan:

A unit-wise teaching plan of the course content, spread over the allotted lecture hours, is prepared to ensure a uniform pace of teaching by the respective faculty before commencement of semester course work.

An Outcome Based Education prescribed by NBA includes following:

- 1. Course prerequisites
- 2. Course objectives, Course outcomes and mapping with program outcomes
- 3. Learning resources and delivery methodologies like LCD project.
- 4. Assessment methods
- 5. Unit wise lecture plan
- 6. Assignment, tutorial and model questions
- 7. Link to video lectures
- 8. Additional information

Internal Audit Committee will audit the Academic plans of each faculty and the audit reports are submitted to the Principal, for follow up action.

## 2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

#### Choice Based Credit System

The regulations and curriculum has the following provisions Internship, Project/Mini Project, Field visit, Language Laboratory, In plant Training, Self-study courses, Break of study permitted, Open Electives, Additional Activity Points, Value added courses, SWAYAM/MOOC courses, Audit and mandatory courses as per the AICTE model curriculum

The quality of the question paper is ensured through two level Question paper setting and scrutiny process.

Transparency in examination evaluation system

Students are permitted to receive the photocopy of the valued Answer Scripts at nominal fees Students can apply for revaluation. The results will be intimated to the student concerned through the Head of the Department within 7 working days from the last date of application of revaluation. Challenging the revaluation is permitted. In such a case, Join Revaluation is carried out by two subject experts and the

Page 29/73 21-07-2023 04:32:01

#### results are declared within 2 days.

| Upload any additional information     | No File Uploaded                |
| Paste link for additional Information | https://portal.gcesalem.edu.in/ |

### 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

Course Outcomes are framed for all courses in the program during the commencement of the semester based on Blooms' Taxonomy which includes various levels like:

- Remember
- Understand
- Apply
- Analyze
- •Evaluate
- •Create

HOD along with subject faculties and domain experts discuss and frame the Course Outcomes. Mechanism of Communication of all Learning Outcomes (PO, PSO, CO) among faculty, staff, and students

- •Students are educated with the outcomes of each course before the commencement of the subject.
- •POs and PSOs are displayed at prominent places like HOD Room, Seminar Hall, Class room, Laboratories, Faculty Rooms.
- •POs, PSOs, COs are included in Lesson Plans, Laboratory Manuals, Course files, Course End Survey, Alumni Survey etc
- •It is displayed in Institution Website
- •These points are discussed in Alumni meet and taken the

#### feedback from alumni to ensure whether the outcomes are met.

### 2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

Course outcomes identify the unique knowledge and skills expected to be gained from a given course.

Programme outcomes are one step broader statements that describe what students are expected to know and be able to do upon the completion of a specific program.

Programme specific outcomes are what the students of a specific programme should be able to do at the time of studying in the programme.

Programme outcomes and programme specific outcomes are attained through the attainment of course outcomes.

Measurement of attainment of POs, PSOs and COs is done through formative and summative methods. Analysis of students' performance in internal tests is continuous assessment. Maximum 300 marks are allotted on three internal examination and 30 marks on three assignments and 30 marks for Quizes / Objective type Test/Tutorial. Analysis of terminal exam results is also done.

After the analysis, strategy for improvement is made and implemented. All the assessments are analyzed regularly. The analysis of students' performance in semester examination is done to know the levels of attainment of POs, PSOs and COs. Each department analyses the result of the students for each subject.

### RESEARCH, INNOVATIONS AND EXTENSION

#### 3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

At Governent Engineering College Salem, research is promoted at department levels through curriculum based Undergraduate research projects and internship projects. College also facilitates the participation of the faculty members in seminars, conferences, workshops, etc. at national and international levels. It help conducting departmental Seminars and community outreach programmers as well. College encourages

Page 32/73 21-07-2023 04:32:01

and students to travel national and international conferences to present their research work. Each Post Graduate Programme has a compulsory dissertation/project course to inculcate research activities among the students. The curriculum of all the programmes of the University clearly define research oriented courses. These are uploaded on the institutional website. The Institution conducting Induction Programme for freshers of UG to about 3 or 4 weeks.

College provides financial support for doing research and publications to faculty members.

The institution encourages faculty members to attend courses/conferences/workshops /seminars/training programmes and research -oriented programmes to strengthen them in the research field.

Encourage faculty members and students to present paper in international/national/state level conferences/seminars/symposium and to act as resource persons.

### 3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

College has created an ecosystem for innovations and other initiatives for creation and transfer of knowledge by developing desirable human resources, taking care for creation and dissemination of knowledge and establishing state of the art infrastructure. The Instituition that provides adequate training

Page 35/73 21-07-2023 04:32:01

to the faculty members in the form of Faculty Induction
Programmes, Refresher Courses, Faculty Development Programme and
other short term programmes to develop desirable human
resources. Faculty members are encouraged to undergo
professional development programmes and to organize and
participate in conferences, seminar and workshops. The institute
has a well-defined and published research promotion policy.
Faculty members are encouraged to do and guide research. A good
number of students are registered for Ph.D programmes and number
is increasing every year. Faculty members are encouraged for
paper publication and undertaking project work.

"INSTITUTION'S INNOVATION COUNCIL" Established in the year of 2018. Vision / Mission of IIC is To create a vibrant local innovation ecosystem, establish Function Ecosystem for Scouting Ideas in students, enrich pre- incubation ideas and develop better Cognitive Ability for Technology Students.

#### INFRASTRUCTURE AND LEARNING RESOURCES

#### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

Government College of Engineering, Salem-11 was started during the year 1966 and is located on a 225.56 acres site surrounded by hills. The institution offers 6 UG & 6 PG programmes.

Our Institution is the QIP centre, recognized by AICTE for doing research leading to Ph.D in all disciplines.

The existing buildings include each department block, I year block, two drawing halls, individual blocks for Physical Education, Administration, Library, Digital Library, Auditorium, Canteen, Health Centre, Planetarium, Seven hostel blocks, Five mess halls, Recreation halls, Research and Development block, Alumini center, Teaching learning centre, EightVideo centres, Quality Assurance Centre, residential accommodation for the

Page 41/73 21-07-2023 04:32:01

staff members of the college.

All the departments have well-equipped Lecture halls with ICT and Wi-Fi connectivity. The institution has totally 45 lecture halls out of which most of them are equipped with LCD projectors to effectively carry out the teaching-learning process.

The Institute has been selected as one of the 33 regional centres in India to collaborate with IIT, Mumbai and ISTE to offer courses and training via video conferencing NPTEL Local Chapter has been established in our Institution during the academic year 2018-2019 to support Students and Faculty for open online courses with certification. Grammorly@edu software is also available.

#### 4.2 - Library as a Learning Resource

#### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The Institution has a Digital Library to access e-Journals, e-

Page 43/73 21-07-2023 04:32:01

books, and NPTEL videolectures. For this purpose, a separate Library building has been constructed and 100 Computers with Internet facilities have been provided to access the eresources. A video conferencing hall is also been established with a seating capacity of 160.

The following e-resources have been purchased/subscribed and made available to access by Staff and students at ANYWHERE, ANY TIME BASIS through "Remotexs"

List of e-resources purchased / subscribed:

- 1. ASCE 34 plus backfiles
- 2. ASME 26 plus backfiles
- 3. DELNET Institutional Member
- 4. WILEY e-Books 72 Titles
- 5. Pearson Education Books 490 Titles
- 6. IET e-Books 408 Titles
- 7. NPTEL Video course materials.

This facility is the first of its kind among all Government Engineering Colleges in Tamilnadu.

#### 5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

Government College of Engineering, Salem has a registered Alumni Association as a Trust. The Alumni Association contributes significantly to the development of the institution through financial and non financial means. The donations received from the alumni are deposited as corpus fund in Alumni Association of Government College of Engineering Salem Account and the interest earned from that is used for distributing scholarships to the meritorious and financially weak students. Donations are

Page 52/73 21-07-2023 04:32:02

exempted under Section 80G of the Income Tax Act. Alumni have provided Alumni Centre in the campus.

The Alumni Association actively participates and concentrates on college development. The Alumni members contribute various services to the institution like arranging visits to their industries, providing internship, providing project works, providingcampus placements and contributing learning resources to the department library. Involvements of Alumni are also by acting as member of Board of Studies, Academic Council and Board of Governors.

• Alumni Meet is conducted in the college campus on second Sunday of August month every year. This year the Alumni meet was conducted on 9.8.2020 in online mode via Zoom meeting by 1991-1995 batch. • Campus to Corporate Webinar was conducted on 31.10.2020 in online mode through Zoom meeting.

#### GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

#### Vision

- We envision our students as excellent Engineers not only in the field of Science and Technology but also in good citizenship and discipline.
- Our commitment lies in producing comprehensive knowledge seekers and humane individuals, capable of building a strong and

developed nation.

#### Mission

- To impart updated technical education and knowledge.
- To groom our young students to become professionally and morally sound engineers.
- To teach global standards in production and value-based living through an honest and scientific approach.

To achieve the vision and mission of the institute, various subcommittees involving different levels of functionaries. The principal will act as the chairperson for various committees and ably supported by members at different levels. Since the institute practices outcome-based education, the outcome of the students are tracked and corrective measures were taken in line with the vision and mission of the institute.

The Principal, Head of the Departments, faculty members, nonteaching staff, and administrative staff work in unison towards achieving the vision and mission of the institute.

The following committees have been formed as governing body

- 1. Board of Governors
- 2. Academic Council
- 3. Standing Committee for Academic Council
- 4. Board of Studies
- 5. Department Advisory Board

| File Description                      | Documents                            |

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

Page 54/73 21-07-2023 04:32:02

Governance of the institute is carried out through the Academic committee, finance committee, building and works committee, purchase committee, disciplinary committee, Institutional development committee, planning, and monitoring committee, student affairs committee, library committee, grievance redressal committee, anti-gender harassment committee, and faculty and staff development committee.

The Heads of Departments, the Conveners of various committees, and section in-charges review the institutional strategic plan and approves the financial and curriculum requirements.

Financial audit, Academic audit, and stock verification audit were carried out annually. Faculty performance appraisals on various teaching and research aspects were carried out by the Head of the department, and confidential reports on their performance were submitted to the government.

Service rules and procedures are defined by the State Government of Tamil Nadu. These rules were scrupulously followed for service, recruitment, and promotions.

The mode of admission of UG students is through a single window admission procedure conducted through TNEA and PG students based on their TANCET scores. All the newly recruited staff and the newly admitted students are made aware of these rules through orientation programmes.

Government Orders related to service rules, procedures, recruitment, and promotional policies are available on the website (www.tn.gov.in).

#### 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/Perspective plan has been clearly articulated and implemented

Page 55/73 21-07-2023 04:32:02

#### Strategic / Perspective plan:

- 1. To update curriculum with changing trends in technology.
- 2. To bring ICT into the teaching-learning process and to make learning interesting and fun.
- 3. To carry out research and consultancy work using the resources of the institute.
- 4. To bring out industry-institute interaction and entrepreneurship activities.
- 5. To strengthen alumni engagement.
- 6. To establish a clean and green campus and move towards renewable energy.
- 7. To move towards 100% placement.
- 8. To motivate students to take up research and entrepreneurship.

#### Development:

- 1. Curricula for each programme are formulated and revised by guidelines of AICTE, affiliating university and in alignment with the vision and mission of the Institute.
- 2. In pace with the recent technology and the needs of the industry, 2018 Regulation curriculum is framed.
- 3. It is mandatory to carry out, mini-project and final year projects based on the technological needs of the nation.
- 4. Industrial internship is made mandatory for course completion.
- 5. Mandatory Course includes Environmental Science, Constitution of India, Induction Programme/NCC/NSS/SPORTS/ YRC/Yoga.
- 6. Feedback from Alumni, Industrial experts, Subjects experts are also considered and incorporated in the syllabus.
- 7. The curriculum also offers Choice Based Credit System.
- 8. An elective course can be replaced by a three-credit NPTEL course.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

College administrative set-up is as per AICTE and UGC norms. The key components of the organizational structure of the institution are the Board of Governance. Principal, Head of the Departments, faculty members, non-teaching staff and administrative staff.

Since it is a Government Autonomous Institution all expenses were met out from block grant funds. All transactions are made online. Purchase was carried out only by e-procurement through state Government e portal and GEM portal. All account-related documents were maintained in e format. GPF and CPS amounts were credited to the government account by online mode.

The college provides support to students in many forms. Government scholarships are provided for needy students for various categories.

The College has a separate office for the examination.

Service rules and procedures are as defined by the State Government of Tamil Nadu. Recruitment is done by the Teachers Recruitment Board. All Promotional policies are based on the UGC 7th pay commission. All the newly recruited staff and the newly admitted students are made aware of these rules through orientation programmes. Government Orders related to service rules, procedures, recruitment, and promotional policies are available in the website (www.tn.gov.in).

#### 6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

The primary sources of funding for our institution are student fees and State Government grants based on budgetary allocations. However, in order to satisfy future research and teaching learning resource requirements, the Institution also mobilises its resources through: 1.Student's fees 2.TEQIP III funds 3.Consultancy works

#### 4. Sponsored research labs

5. Research grants received from government agencies. The funds received from the state government are used to pay the salaries of teaching, non-teaching, and administrative staff. Each and every amount of fund collected from the state government is in line with the budget. Optimum utilization of funds is ensured through: - 1. Appropriate funds are set aside for effective teaching-learning techniques such as Orientation Programs, Workshops, Interdisciplinary Activities, Training Programs, and Refresher Courses, all of which contribute to the provision of high-quality education. 2. The budget is used to cover day-today operational and administrative costs, as well as the upkeep of fixed assets. 3. Improving library facilities is necessary to supplement learning methods, and the necessary funds are allocated each year. The main goal of resource mobilisation and efficient resource utilisation is to elevate our institution to a new level of excellence in terms of teaching and student development.

#### 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

Quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

Incremental Improvements made during the preceding year:

- 1. IQAC internal audit were carried out twice in an academic year. Based on the observation from audit team, necessary corrections and improvement were carried out. Which inturn improves the quality of teaching learning. 2. Ensure internalization of the quality culture.
- 3. NBA criteria were met out as result of IQAC measures
- 4. Twinning activities were carried out for GEC Raipur, regarding NBA file preparation, guest lecture, collaborative workshop activities.
- 5. As result of quality improvement, placement in core companies were improved.
- 6. Fast track courses were offered, enabling students to take up industrial projects and internships of six months.
- 7. Virtual internship were offered to final year students. Virtual internship is done through complete video recording of industrial process.
- 8. As a part of best practices in IQAC, Clean and Green campus were maintained, solid waste composting and wifi 24x7 were provided.

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

The college's internal quality assurance cell (IQAC) was from the year 2018. Since then, numerous strategies have been used to focus on quality improvement. For this, the institution uses an IQAC set up according to standards to examine its teaching learning process, structures & methodology of operations, and learning outcomes at regular intervals, and records the incremental improvement in various activities. Academic audits are undertaken once a year, with one internal and one external audit per semester, with the goal of improving the program's quality. The following is a list of documents that the audit committee has verified.

- I. CURRICULUM & DEVELOPMENT DOCUMENTS
- II. DOCUMENTS RELATED TO STUDENT ASPECTS
- III. DOCUMENTS RELATED WITH TEACHING LEARNING EVALUATION PROCESSES
- IV. DOCUMENTS RELATED WITH RESEARCH, INNOVATION & EXTENSION PROCESS
- V. GENERAL OBSERVATIONS REGARDING FEED BACK AND COMPLAINTS.

#### INSTITUTIONAL VALUES AND BEST PRACTICES

#### 7.1 - Institutional Values and Social Responsibilities

- 7.1.1 Measures initiated by the Institution for the promotion of gender equity during the year
- 1. The institute promotes gender equity in admissions, academic activities recruitment, and an administrative functionality.
- 2. The institute has warden, residential tutor, deputy wardens, faculty advisors, and mentors at the point of contact to address all the issues of girl students.
- 3. The women development cell interacts with students regarding gender problems and personal distress, so as to develop the sensitization of students.
- 4. The institute is more focused towards the safety and security of all women inside the campus.
- 5. A one day work shop on "Role of women in Academia and Administration" was conducted on 08-03-2021 as the part of International Women's Day 2021 celebrations. The total strength of 772 numbers of women faculties, Students and non-teaching staff of Government College of Engineering, Salem was participated in the workshop.
- 6. Female students are encouraged to participate in technical programmes, NSS, sports and NCC activities.

Page 64/73 21-07-2023 04:32:02

7. Anti Gender Harassment Committee/Prevention and Prohibition of Sexual Harassment of women employees and students was constituted and functioning in the campus. This committee addresses gender related issues and registers complaints with respect to gender harassment at work and suggests the punishments.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words).

Induction programme was conducted for first year students from 11.11.2020 to 26.11.2020 with value added topics.

- Personality development & Life skills : Dr. S.PeterAnand, Lecturer, DIET-Salem
- 2. Opportunities in Engineering in Industries and Government Sectors: Mr.Jegan, Scientist, Southern Railways, Trichy
- 3. How to equip and build a carrier in these changing times:
  Mr. Shankar Subburathinam, Head of Advanced materials
  Technology division at caterpillar, Chennai
- 4. Engineering and opportunities, Proud of being Engineer: Mr. Venkatachalam, Senior Manager, Accenture, Hyderabad
- 5. Psychology for students: Dr.Gayathri, Psychologist, Salem
- 6. Stay Focused :Mr.S.Manikandan, Lecturer, DIET-Salem
- 7. Yoga :World Community service center, Salem kasakkaanoor Trust, Salem-5

Balancing Physical and Mental Power Science, Behind Blessings, Benefits of Yoga, Relationship -Trust, Respect, Goal setting / Gratitude, Activation of Dormant Brain Cells, Honesty, Manure of Six Temperaments, Stress Management, Cause and Effect System, Values and Ethics

Our institution has four NSS units with 400 students has undertaken many a socially responsible drive in the areas of charity initiatives towards the underprivileged in society.

Our institution encourages the students to organize and participate in national level technical symposia, state level

#### cultural events and sports activities.

| File Description   | Documents        |
|--|------------------|
| Supporting documents on the information provided (as reflected in the administrative and academic activities of the Institution) | No File Uploaded |

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

Our institution takes all possible initiatives by conducting several events and programmes for strengthening the students, teaching and non-teaching staff to become more responsible citizens by sensitizing them to the constitution of the country.

As part of the curriculum a non-credit course Indian Constitution is offered for all engineering students.

Every year Constitution Day pledge is taken by all the faculties and students in the campus in order to emphasize the constitutional values and rights to the students.

Every year induction program conducted for the first year students to enhance the principle like "unity in diversity"among the students.

| File Description  | Documents        |
|---|------------------|
| Details of activities that inculcate values necessary to transform students into responsible citizens | <u>View File</u> |
| Any other relevant information  | No File Uploaded |

7.1.10 - The institution has a prescribed code of conduct for students, teachers, administrators and other staff and conducts periodic sensitization programmes in this regard: The Code of Conduct is displayed

C. Any 2 of the above

on the website There is a committee to monitor adherence to the Code of Conduct Institution organizes professional ethics programmes for students, teachers, administrators and other staff Annual awareness programmes on the Code of Conduct are organized

| File Description   | Documents        |
|--|------------------|
| Code of Ethics - policy document   | No File Uploaded |
| Details of the monitoring committee composition and minutes of the committee meeting, number of programmes organized, reports on the various programmes, etc. in support of the claims | No File Uploaded |

| Annual report of the celebrations and commemorative events for during the year | No File Uploaded |
| Geotagged photographs of some of the events                                    | <u>View File</u> |
| Any other relevant information   | No File Uploaded |

#### 7.2 - Best Practices

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

BEST PRACTICE - I

1. Title of the practice:

Clean and green campus

2. Objective of the practice

To maintain a clean and green campus

3. The practice

The college campus is located on a 162 hectares site surrounded by greenish natural environment. The 'Environmental and Green Campus' club of the institution took steps like providing steel tumblers and plates to all the departments there by ensuring the one time plastics are not used in the campus. Awareness Programme on single use plastics was conducted as "Swachhata Hi Seva 2020" to make the plasticfree campus.

4. Impact of the practice

Well-organized usage of college atmosphere with good and clean environment by the students and the staffs. Practice on plantation of tree plant saplings during some important events like independence day.

5. Resources required:

Sweepers are needed to be allotted for campus cleaning.

Environmental and Green Campus club to monitor the campus

- 6. About the Institution
- i. Name of the Institution: Government College of Engineering, Salem
- ii. Year of Accreditation: 2018
- iii. Address: Salem
- iv. Grade awarded by NAAC: B+
- v. E-Mail: principal@gcesalem.edu.in
- vi. Contact person for further details: The Principal, Government College of Engineering, Salem

#### 7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

The Institute is celebrating more than five decades of its meaningful contribution in the promotion of higher technical education.

Our vision of the institution is envisioning our students as excellent Engineers not only in the field of Science and Technology, but also in good citizenship and discipline.

Since it is autonomous engineering college, high demand industry curriculum has consciously integrated into core courses and electives in to maximize the students learning ability.

The National Cadet Corps of our Institution is exemplary and it is a responsive, learning and continuously evolving organization that is guided by certain values, which it looks to instill among all ranks of NCC. It nurtures a sense of patriotic commitment by encouraging contributions to national development.

Virtual Internship programmes were made with industry process video modules by the faculty members and uploaded in the AICTE website for online access of the students during COVID lockdown period.

The institution has recognized for testing and consultancy in the department of Civil engineering at state level.

#### 7.3.2 - Plan of action for the next academic year

- 1. Academic excellence and the Infrastructure facilities enhancement to improve the technical skills of the students.
- 2. Increase Industry Institution collaborative activities.
- 3. Improvement of core placement performance in reputed companies.
- 4. To implant Lecture captivating system in the institution for the purpose of blended learning
- 5. Organize more number of entrepreneurship development programmes and support students to become entrepreneurs.
- 6. To motivate the faculties and PhD scholars to focus more on real time R&D and publish research articles in high indexed SCI journals.
- 7. To establish the Innovation club to facilitate the students to convert their ideas in to products.
