

## **Institutional Distinctiveness (2020-2021)**

The Institute is celebrating more than five decades of its meaningful contribution in the promotion of higher technical education.

Our vision of the institution is envisioning our students as excellent Engineers not only in the field of Science and Technology, but also in good citizenship and discipline.

Since it is autonomous engineering college, high demand industry curriculum has consciously integrated into core courses and electives in to maximize the students learning ability.

The National Cadet Corps of our Institution is exemplary and it is a responsive, learning and continuously evolving organization that is guided by certain values, which it looks to instill among all ranks of NCC. It nurtures a sense of patriotic commitment by encouraging contributions to national development.

Virtual Internship programmes were made with industry process video modules by the faculty members and uploaded in the AICTE website for online access of the students during COVID lockdown period.

The institution has recognized for testing and consultancy in the department of Civil engineering at state level.
