Program Exit Survey - 2017 - 2021 batch

2017 - 2021 BATCH
Kindly give your feedbacks about the Curriculum, Syllabus and the Program you studied in Government
College of Engineering, Salem

Name of the Student (Full Name in CAPITAL) *

S ARULPRAKASH

Register Number *

1751T303

Email id *

aruldhanush05@gmail.com

Mobile Number *

7092766745

1. Have you learned to apply knowledge of mathematics and engineering sciences to the
solution of complex Mechanical engineering problems in your courses? *

Strong agree ▼

2. Have you learned to Identify, formulate, and solve complex engineering problems using multidisciplinary knowledge? *
Agree ▾

3. Have you learned to Design solutions for complex engineering problems and system design to meet the needs of public considering the health, safety, cultural, societal, and environmental factors? *

Strong agree ▾

4. Have you learned to apply research-based knowledge and research methods to complex problems including design, analysis, interpretation of data and synthesis of the information to provide valid conclusions? *

Agree ▾

5. Have you learned to create, select, and apply appropriate techniques, simulation tools for prediction and modeling of engineering activities with their limitations? *
Strong agree ▾

6. Have you learned to assess societal, health, safety, legal and cultural issues relevant to the Mechanical engineering profession? *

Strong agree ▾

7. Have you learned to provide the Mechanical Engineering solutions for sustainable development? *

Agree ▼

8. Have you learned to apply ethical principles and responsibilities for Mechanical Engineering practice? *

Agree ▼

9. Have you learned to function effectively as an individual member or leader in diverse teams and in multidisciplinary projects? *

Agree ▼

10. Have you learned to communicate effectively with the engineering community and with society at large, such as, write effective reports and design documentation and make effective presentations? *

Agree ▼

11. Have you learned to apply engineering and management principles to your own work or in a team, to manage projects in multidisciplinary environments? *

Strong agree ▼

12. Have you learned to recognize the need of lifelong learning for professional development and personnel growth?

Strong agree ▼
