A REPORT ON "MASS CLEANING CAMPAIGN"

On the eve of birthday Anniversary of the former Chief Minister Dr.K.Karunanidhi a "Mass Cleaning Campaign" event is celebrated today (03/06/2022) at Government College of Engineering, Salem. The event started with welcoming our beloved Principal Dr.R.Malayalamoorthy. NSS program officers Prof.R.Vaithianathan, Prof.M.Deepak Kumar, Dr.K.Sakunthala and Dr.T.Murugesan & hostel officials Prof.S.Sundari , Prof. V.C.A.Asokkumar graced the occasion. After the addressing in welcoming the officials, Principal addressed the gathering about the importance of mass cleaning. He has suggested the gathering to clean their places at least in a week so that cleanliness is maintained inside the premises.

Nearly 250 volunteers from all departments have actively participated in cleaning the college campus. The boys and girls were very eager in cleaning all the wastes near the hostel premises. The sanitary workers of our college helped a lot supporting the student volunteers. The event ended with refreshments for students, faculty members and hostel officials.
