**Online Education**

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		<p>Subject allotment to the faculty members happens at the end of prior semester so that the faculty members have sufficient time to prepare the detailed lesson plan which includes topics to be delivered and number of hours needed to complete that topic. The online course materials are prepared well in advance based on the choice of teaching aid that best suits the delivery of the topics. The total number of hours to handle the course is fixed in accordance with the number of lecture hours and credits in the syllabus. Any deviation in delivering the lecture is sorted out time-to-time and is monitored by the Heads of the Departments. A small delay is experienced in resuming lectures during COVID-19 lockdown and it is compensated by additional classes during Saturdays. All faculty members and students are cooperative to complete the syllabus of all courses on time through online lectures using Google classroom, GMeet, Google Forms and YouTube. The online classes are monitored at Institute and Directorate level to ensure completion of the courses. Laboratory exercises were demonstrated by virtual labs and video illustrations. Three periodical assessments are conducted to confirm the understanding of the students and to verify how much of the course outcome is achieved. Assignments are also given to improve the understanding of important concepts of the course. Faculty assisted tutorials enrich the knowledge of the students and help them master the course. The end semester exams are conducted as proctored examination with video and audio streaming.</p>
