**Minutes of the first-class committee meeting**

The second semester first-class committee meeting for I B.E Computer Science and Engineering for the academic year 2022-2023 was organized on 12/05/2023 at 03.45 PM in Computer Science and Engineering classroom.

The meeting begins with a welcome address given by student representative Solaiselvi B.

There were no grievances among class students towards Academic activities.

The following points were discussed in the class committee meeting:

1. The students were instructed to attend the classes regularly. Attendance percentage above 75% in every subject is necessary for writing their end-semester exams.
2. The class advisor informed the students about the schedule of the first series test.
3. The chairperson insists the students maintain consistency in series test, so that they can score good marks in internals.
4. The students were suggested to make materials as hard copies to prepare for the exams.
5. The chairperson discussed with teachers about the student's response during their classes.
6. Chairperson insists that the students must interact with their staffs, then and their doubts will be cleared.

Student representatives on behalf of classmates assured all the faculty members that they will follow all the suggestions given by the staff members.

Finally, the meeting ends with the vote of thanks by student representative Suhaina Fathima M.
