## Introduction of relative grading in accordance with AICTE norms starting from 2021 to ensure fair assessment standards

The screenshot displays the 'Edit Batch' interface of the eCOE(v5.0) system. The browser address bar shows the URL `gcesalem.ecoe.in/index.php/batches/edit_batch/15`. The page header includes the text 'Government College of Engineering (Autonomous)' and navigation links for 'CALL SUPPORT' and 'PLACE A HELP TICKET'. A sidebar on the left lists various menu items under 'College Details', 'Users', and 'Masters'. The main content area is titled 'Edit Batch' and contains the following form fields:

- Batch Year\***: A text input field containing the value '2023'.
- Batch Code\***: A text input field containing the value 'B-23'.
- Is Follow Relative**: A checkbox that is currently checked.

Below the form fields are two buttons: 'Update' and 'Cancel'. A note on the right side of the form states: 'Fields Marked with Asterisk (\*) are Mandatory'. The system's footer shows the time as 11:25 AM on 05/02/2024.
