### **Declaration**

#### **Sub: Declaration Regarding Utilization of Urkund Software for Plagiarism Checks**

It is brought to your kind notice that the Urkund software is utilized for plagiarism checks for all faculty members, research scholars and PG students within our institution.

The Institution has a total of **29 Anna University recognized supervisors** for guiding research works. Centre for Research, Anna University facilitates its recognized supervisors with individual login for research activity. In supervisor login, **Urkund login for plagiarism checker** facility is available for plagiarism check. So, all faculty members of this Institution use this tool for plagiarism check.

Urkund software is employed as a tool to ensure academic integrity and to uphold the standards of originality in research and scholarly work at our institution.

As the Urkund software, coupled with access granted to supervisors, is deemed sufficient for enhancing our research endeavors, the Institution has not purchased separate software for plagiarism checks.

The use of Urkund under supervisor login ensures that faculty members' submissions are thoroughly checked for any instances of plagiarism, thereby promoting a culture of academic honesty and integrity within our college.
