## 1. Awareness Program on Single use plastics to school students

On July 3, 2018, NSS Units 1, 2, 3, and 4 of Government College of Engineering (GCE), Salem, organized an impactful awareness program on single-use plastics at Government Elementary School, Karuppur. The initiative aimed to educate school students about the environmental hazards posed by single-use plastics and foster a sense of responsibility towards sustainable practices.

The program commenced with an informative session, shedding light on the detrimental effects of single-use plastics on the environment. Engaging discussions and interactive activities were tailored to make the learning experience memorable and effective for the young minds.

The collaborative effort of GCE's NSS Units 1-4 demonstrated a commitment to nurturing environmentally conscious citizens and fostering a plastic-free future among the younger generation. The event at Government Elementary School, Karuppur, served as a pivotal step towards instilling environmental stewardship in the hearts of school students.

## 2. Gaja cyclone relief Campaign

As the main motto of our club is to serve people, we the Leos of Government college of Engineering , Salem help those people in need during the GAJA cyclone relief around Karuppur.

Our Principal mam Dr. G. Vimala Rosaline decided to help people of affected places and called our Leo club students to collect funds and things from staff and our students. Our club students started collecting money as well as things from November 22, 2018. Most of the students participated willingly in donating things. Lots of goods and amounts were received from them. Both the technical and non-technical staff also donated relief materials.

A total amount of about Rs.13,000 were collected and lots of goods like food items, bedsheets, mats, towel , muffler, daily things and groceries like rice , milk powder , etc...were brought using that amount . Things like dresses and candles were received from the students directly.

One of our college students is from the remote area of Mannarkudi in Thiruvavarur district, those places are one of the most affected places during Gaja cyclone and didn't receive any kind of helps at those time. We decided to distribute the collected things in that place. Our Leo club students directly carry all those things to Mannarkudi and distribute those at that place.

**Figure 2.1: Collected funds and things from staffs and our students to affected people during Gaja cyclone**

## 4. Untouchability Awareness Pledge and Rally

Untouchability Day, also known as Anti-Untouchability Day, is observed annually in the campus and the rally of volunteers students and faculty has been taken nearby village Karuppur.

To uphold the principles of equality and to actively work towards eliminating all forms of discrimination, including untouchability, GCE Salem conducts this awareness every year and report has been submitted to DOTE.

The observance of Untouchability Day in the institution was a significant step towards raising awareness about the evils of caste-based discrimination and promoting inclusivity and equality. The number of students and faculty participated.

## **7. Blood Donation Camp**

As a segment of social activity, Leo club conducted a useful blood camp on 06.03.2019 in GCE, Salem. Totally, 180 donors including students, technical and non-technical staffs had donated their blood on this camp and certificates were distributed for the donors. The collected blood was successfully sent to the Government Blood Bank of Salem. For the future reference in case of emergency and Blood Donors book was published on the same day which holds the details of the willing donors such as their names, blood groups and Contact details. Along with the club activities, Leo club constantly provides bus tickets for various homes from which they can avail a part of the bus fares.

## **8. School student visit (Activity based Education)**

Activity-based education engages students through hands-on experiences, fostering deeper learning and understanding. On 12.04.2019 activity-based education approach was introduced to school children's at Saminackenpatti elementary school through various physical activities like integrating games, experiments, and group games. By immersing students in interactive activities, they actively participate in their learning process, enhancing comprehension and retention. Moreover, it cultivates critical thinking, problem-solving, and collaboration skills vital for success in today's dynamic world. From science experiments illuminating complex concepts to role-playing historical events, activity-based education sparks curiosity and encourages exploration. It nurtures a love for learning by making lessons engaging and relevant, preparing students not just for exams but for real-world challenges they'll encounter beyond the classroom.

## **Report for Academic Year 2019-2020**

## 1. Awareness on single use of plastics to school students

On July 3, 2019, an awareness session on the single use of plastics was conducted for school students at Government Elementary School, Karuppur. The session aimed to educate students about the harmful effects of single-use plastics on the environment and promote sustainable alternatives. Various topics were covered, including the impact of plastics on marine life, the importance of reducing plastic waste, and the role of students in creating a plastic-free environment. Interactive activities, such as quizzes and games, were organized to engage students and reinforce key messages. Overall, the session was informative and inspiring, encouraging students to adopt eco-friendly practices and reduce their use of single-use plastics.

**Figure 1.1: NSS unit-1 in-charge provide cloth bags to Headmistress and school children.**

## **2. Yercaud service camp: Cultivating social responsibility and community development**

The Leo Club organized a service camp to Yercaud on July 22, 2019, with the aim of contributing to community development and fostering a sense of social responsibility among its members. The event brought together 30 enthusiastic students, eager to make a positive impact through their collective efforts. The service camp comprised a series of activities designed to address various community needs and promote sustainable development.

The service camp left a positive impact on both the participants and the community of Yercaud. The Leo Club's commitment to service was reflected in the improved environmental conditions, enhanced health awareness, and strengthened community bonds. The 30 students actively involved in the camp expressed a sense of fulfillment and personal growth through their service-oriented endeavors. The experience fostered teamwork, leadership, and a deeper understanding of the challenges faced by communities in need.

### 3. Blood donation camp

The event took place on 06-08-2019 at Government college of engineering, Salem. The primary goal was to promote voluntary blood donation and raise awareness about its significance in saving lives. The LEO Club was responsible for coordinating and executing the event. Collaboration with local medical professionals and a recognized blood bank ensured a safe and efficient blood donation process. The camp commenced with an inaugural ceremony featuring speeches from club members and medical professionals. The event attracted a diverse group of participants, including students and faculty. Participants underwent a brief medical screening to assess their eligibility for blood donation. A well-equipped donation area with trained medical professionals facilitated the blood collection process using sterile and disposable equipment. Donors were provided with refreshments post-donation, ensuring their well-being and recovery. Informative sessions were conducted to educate participants about the importance of blood donation and dispel myths surrounding the process. Educational materials on blood donation were distributed to enhance understanding and encourage future participation.

The event created a positive impact by fostering a sense of community, social responsibility, and philanthropy among participants. The blood donation camp was a success, with a significant number of donors contributing. The LEO Club expressed commitment to organizing similar events in the future to continue supporting this life-saving cause.

#### **4. Material support for battered women: Community awareness initiative**

The LEO-Etrics Club organized an awareness activity on August 8, 2019, focusing on collecting items for battered women. The event aimed to raise awareness about the challenges faced by women who have experienced domestic violence while simultaneously providing tangible support through the collection of essential items. With the participation of 110 individuals, the event proved to be a significant step toward fostering empathy and social responsibility.

Informational sessions were conducted to educate participants about the prevalence of domestic violence and the specific challenges faced by battered women. The LEO-Etrics Club emphasized the importance of creating a supportive community to address and combat domestic violence. Participants were encouraged to bring items such as toiletries, clothing, and non-perishable food items to be donated to local shelters supporting battered women.

Donation boxes were strategically placed at convenient locations to facilitate the collection process. The collective efforts of the LEO-Etrics Club and the 110 participants resulted in a significant collection of items for battered women. Donations included a wide range of essential items, from personal care products to clothing and non-perishable food items. The impact of the awareness activity extended beyond physical donations. Participants reported an increased understanding of the issues surrounding domestic violence, expressing a commitment to continued support for survivors. The event succeeded in creating a platform for open dialogue and support within the community.

## 5.Awareness on Impacts of Plastics on Earth

On the 9th of August 2019, the Environmental Club and Green Campus conducted an awareness program on the "Impacts of Plastics on Earth." The objective was to educate participants about the environmental consequences of plastic usage and to promote sustainable alternatives. The event successfully raised awareness among the 200 participants about the severe impacts of plastics on the Earth's environment. Attendees left with a heightened sense of responsibility and understanding of their role in combating the plastic crisis.

Following the program, several participants actively embraced eco-friendly practices, contributing to a reduction in single-use plastic consumption within the community. The event's impact extended beyond the immediate participants, as they shared their knowledge and commitments with friends and family.

## **7. One Student and One Tree: Initiative Cultivating Environmental Awareness**

On the 15th of August 2019, the Environmental Club and Green Campus launched the "One Student and One Tree" initiative, aimed at fostering a sense of environmental responsibility and sustainability among students. The primary goal of the program was to encourage students to actively participate in tree planting activities.

The initiative kicked off with an inaugural ceremony attended by 100 students. The ceremony included speeches highlighting the importance of tree planting in mitigating climate change, enhancing biodiversity, and creating a healthier environment. Following the inauguration, students actively participated in tree planting activities on the school campus and surrounding areas. Each student was provided with a sapling, symbolizing their commitment to environmental conservation.

The "One Student and One Tree" initiative had a profound impact on the participating students and the community. The program not only increased awareness about the importance of trees but also instilled a sense of environmental stewardship among the students.

The initiative had visible results as the planted trees began to grow, contributing to a greener and more sustainable school environment. The sense of pride and ownership among students fostered a positive attitude towards environmental conservation.

## **8. Zenith 19.0 - Awareness on community service, and the importance of student initiatives in shaping a better society**

On August 17, 2019, the Government College of Engineering, Salem, witnessed the annual technical extravaganza, Zenith 19.0, hosted by the Rotaract Club. This event brought together students, faculty, and esteemed guests for a day filled with celebrations, vibrant performances, and a spirit of innovation.

The event was graced by the presence of R. Siva, President of the Rotary Club of Salem West, who delivered an inspiring Chief Guest Address. Mr. Siva shared valuable insights on leadership, community service, and the importance of student initiatives in shaping a better society. His presence added an enriching dimension to Zenith 19.0, aligning with the college's commitment to holistic education.

Dr. G. Vimala Rosaline, the esteemed Principal of Government College of Engineering, Salem, delivered the Patron Address. Dr. Vimala's speech encapsulated emphasizing the role of education in nurturing well-rounded individuals. Her words resonated with the audience, encouraging students to embrace knowledge and contribute to societal development.

Beyond the cultural performances, Zenith 19.0 served as a platform for collaboration and networking. Students, faculty, and guests had the opportunity to interact, fostering a sense of community within the academic environment. The event exemplified the college's commitment to holistic development, improvement of technical skills and academic pursuits.

Zenith 19.0 was a resounding success, reflecting the vibrant spirit and talent within the Government College of Engineering, Salem. The presence of distinguished guests such as R. Siva and Dr. G. Vimala Rosaline added prestige to the event, making it a memorable day for all attendees. The success of Zenith 19.0 further solidifies GCE Salem's position as a hub for academic excellence and cultural enrichment. Awareness activities are also conducted to motivate the students, and a tree plantation was done at SIDCO Private Limited, Salem.

## 9. Refurbishment of Anganwadi school

The Environmental Club and Green Campus conducted a two-day social service initiative at the Anganwadi School in Dalmiapuram, Salem, from 23rd August 2019. The primary objective of this initiative was to contribute to the local community by undertaking cleaning activities and enhancing the school's environment through white and color wash works.

A team of 50 dedicated volunteers engaged in an extensive cleaning campaign at the Anganwadi School. This involved cleaning classrooms, corridors, and outdoor spaces to create a hygienic and conducive learning environment.

Skilled volunteers took on the task of white washing the interior walls of the school. This not only improved the overall cleanliness of the school but also gave a fresh and brighter look to the learning spaces. The two-day social service work at Anganwadi School had a significant impact on both the school and the participating volunteers. The cleanliness and aesthetic improvements brought about a positive change in the school environment, creating a more pleasant atmosphere for students and staff.

The act of volunteering and giving back to the community fostered a sense of responsibility and community engagement among the participants. It also showcased the potential impact of collective efforts in uplifting local educational institutions.

## 10. Awareness on Tree Plantation

The Environmental Club and Green Campus conducted a social service initiative at the Anganwadi School in Dalmiapuram, Salem, 24th August 2019. The primary objective of this initiative was to contribute to the local community by undertaking cleaning activities and enhancing the school's environment through white and color wash works.

A team of 50 dedicated volunteers engaged in an extensive cleaning campaign at the Anganwadi School. This involved cleaning classrooms, corridors, and outdoor spaces to create a hygienic and conducive learning environment.

Skilled volunteers took on the task of Tree plantation in the school. This not only improved the overall cleanliness of the school but also gave a fresh and brighter look to the learning spaces. The two-day social service work at Anganwadi School had a significant impact on both the school and the participating volunteers. The cleanliness and aesthetic improvements brought about a positive change in the school environment, creating a more pleasant atmosphere for students and staff.

The act of volunteering and giving back to the community fostered a sense of responsibility and community engagement among the participants. It also showcased the potential impact of collective efforts in uplifting local educational institutions.

## 11. Swachhata Hi Seva -2019, Plastic waste free campaign

The Environmental Club and Green Campus launched the "Swachhata Hi Seva - 2019, Plastic Waste-Free Campaign" from 11th September to 27th October 2019. The primary objective of this campaign was to promote cleanliness, sustainability, and the reduction of plastic waste within the campus and the broader community.

The campaign began with a series of awareness workshops conducted for the 200 participants, focusing on the harmful impacts of plastic waste on the environment and the importance of adopting a plastic-free lifestyle. These workshops aimed to educate and motivate individuals to actively participate in the campaign. Participants engaged in regular plastic collection drives within the campus and surrounding areas. Special bins were placed strategically to encourage the segregation of plastic waste, and participants actively collected and documented the amount of plastic waste collected.

The "Swachhata Hi Seva - 2019, Plastic Waste-Free Campaign" had a considerable impact on the participating individuals and the community at large. The heightened awareness led to a noticeable reduction in plastic waste generated within the campus, and the recycling initiatives contributed to an eco-friendlier waste management system.

The campaign's community outreach efforts resulted in increased awareness and participation from local residents, fostering a sense of shared responsibility for environmental conservation. The tree plantation drive added a positive environmental aspect to the campaign, emphasizing the importance of a balanced ecosystem.

## **12. Two days social service work at Government Elementary School, Karuppur, Salem**

Environmental Club and Green Campus undertook a two-day social service initiative at Government Elementary School in Karuppur, Salem, from 28th to 29th September 2019. The primary goal of this initiative was to contribute to the improvement of the school's environment by conducting cleaning activities and enhancing the aesthetics through white and color washing works. The two-day social service work at Government Elementary School had a significant impact on both the school and the participating volunteers. The improved cleanliness and visual enhancements contributed to a positive learning environment, fostering a more engaging atmosphere for students.

The act of volunteering not only transformed the physical appearance of the school but also left a lasting impression on the students and staff, showcasing the importance of community involvement and teamwork.

### **13. One Day Awareness programme on single use plastics**

On the 17th of October 2019, the Environmental Club and Green Campus organized a one-day awareness programme focused on addressing the environmental issues associated with single-use plastics. With the participation of 200 individuals, the event aimed to educate and inspire action towards reducing the consumption of single-use plastics.

The one-day awareness programme had a profound impact on the 200 participants. The educational sessions increased awareness about the environmental consequences of single-use plastics, fostering a greater understanding of the role individuals play in mitigating this global issue.

The community clean-up drive not only helped remove plastic waste from the local environment but also instilled a sense of responsibility among participants. The distribution of reusable items provided practical tools for participants to reduce their reliance on single-use plastics.

## 14. One Day Awareness programme on solid waste management

The primary objective of this initiative was to address the issue of solid waste accumulation in and around the college campus. Through active participation and engagement of students, we aimed to:

- Clean up the campus and its surroundings.
- Segregate waste into recyclable and non-recyclable categories.
- Raise awareness among students regarding the importance of proper waste disposal and recycling.

**Cleanup Drive:** The cleanup drive began with volunteers divided into teams, each assigned to specific areas within the campus and its vicinity. Participants were instructed to collect and segregate waste into categories such as biodegradable, non-biodegradable, recyclable, and hazardous waste.

**Figure 14.1: Clearing plastic waste at Karuppur Salem**

## 15. Home Visit: Karunai Illam

On October 28, 2019 (Saturday) 10.00 a.m on behalf of LEO Club of Government College of Engineering, Salem – 11. Second, Third and Final year students had a home visit to karunai Illam at Salem.

Leo S.Kalaivanan, president of LEO Club of GCE salem initiated the programme by welcoming all the dignitaries. And then Leo T.Dharmadurai, Secretary of LEO of GCE Salem gave his motivational speech to children. And then Mrs.Sumathi, incharge of Thaaai Anbu Illam gave the speech about their home. The speech was about the foundation of home and the future development of home. And then Leo G.Shangugapriya, Secretary of LEO club of GCE Salem gave a vote of thanks.

After the inauguration of the program, we LEO's of GCE Salem sponsored grocery, stationary items, and sports materials worth of Rs.4000 to the home. Followed that some cultural events were conducted. In that event, children of that home were participated actively and showed their talents in singing and dancing. We made them laughter, but they made us laugh more laughter and happier. Their smiles gave immense pleasure to our heart. At the end, they prayed for our club, our college, our world. Then we returned to college by Bus on 2.45 pm.

## **16. Environmental awareness through Tree plantation programme**

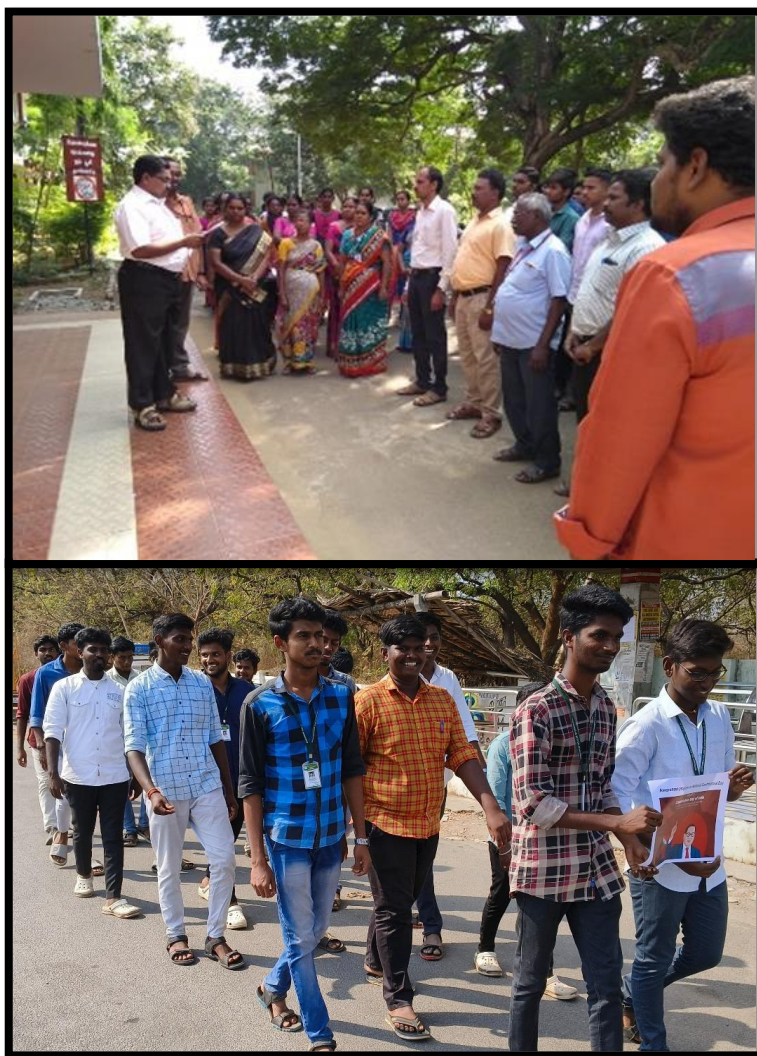

The students, along with the teachers, agreed to plant trees in the campus of the school. Various types of tree saplings, like peepal, cinnamon, neem, and eucalyptus, were planted in the school premises. The geography teachers were asked to explain to the students the importance of different trees that were planted.

**Figure 16.1: Tree plantation at Elementary School, Kullamanickenpatti Village**

## 17. Constitutional day awareness Pledge and Rally

On 26<sup>th</sup> November 2019, the Constitutional Day pledge at Government College of Engineering involved students from all departments reaffirming their commitment to upholding the principles of the Indian Constitution. Following the pledge, students organized a rally outside the campus to raise awareness about the importance of the Constitution and its values. The rally aimed to educate the public about fundamental rights, duties, and the democratic principles enshrined in the Constitution. It also emphasized the need for social harmony, equality, and justice. The event showcased the college's dedication to promoting constitutional values among its students and the wider community.

## 18.Go Green on Republic Day by NCC

On the 26th of January 2020, Government College of Engineering Salem 11 exuded patriotic fervor and a commitment to environmental consciousness during the commemoration of India's 71st Republic Day. Organized by the NCC Airwing, the event at this esteemed venue encapsulated a spirit of national pride and environmental stewardship.

The celebration commenced with the unfurling of the tricolor flag, accompanied by patriotic songs and speeches, echoing the principles of justice, liberty, equality, and fraternity. The highlight of the event was the enthralling performance by NCC cadets who presented a spectacular drill sequence. Their synchronized and disciplined performance mesmerized the audience, symbolizing unity and strength.

Following the captivating drill sequences, a poignant tree plantation event took place. The tree plantation drive served as a significant reminder of the community's responsibility towards environmental conservation. It signified the harmony between patriotism and the commitment to nurture a greener and sustainable future.

The tree plantation initiative wasn't merely symbolic; it echoed the ethos of responsibility and care towards the environment. It highlighted the fusion of patriotism with the determination to safeguard nature, aligning with the aspirations of progress and harmony.

The amalgamation of the captivating drill sequences by the NCC cadets and the significant tree plantation event encapsulated the essence of the Republic Day celebration. It fostered a sense of responsibility, citizenship, and commitment, reinforcing the importance of both honoring the country's heritage and preserving the environment for future generations.

## **19.Martyr's Day & Pledge and Rally against Untouchability**

On Martyr's Day, All the Faculties, staffs and students are participated in a pledge against untouchability, honoring the legacy of Mahatma Gandhi. The pledge reaffirmed their commitment to eradicate untouchability and promote social equality. Additionally, around 60 students organized a rally to raise awareness about the evils of untouchability, highlighting the importance of unity and inclusivity in society. The rally aimed to inspire positive change and foster a more inclusive environment. The event demonstrated the students' dedication to Gandhi's ideals and their efforts to combat social injustices in their community.

## 20. Inauguration – Awareness on service programs for students, "How to become positive agents of their community"

The LEO-Etrics Club marked a significant milestone on February 2, 2020, with the inauguration of an awareness program focused on service programs for students. The event aimed to inspire and educate students on becoming positive agents of their community. With an impressive turnout of 450 individuals, the inauguration set the stage for a series of initiatives to foster social responsibility and community engagement.

The event began with a keynote address by a prominent community leader, who shared insights into the transformative power of community service and the role of students in shaping a better future. Representatives from the LEO-Etrics Club introduced upcoming service programs, including initiatives focused on education, environmental sustainability, and community development. Engaging and interactive sessions were conducted to encourage active participation and dialogue among the attendees.

Participants had the opportunity to share their ideas and perspectives on how they could contribute to their communities. The inauguration provided networking opportunities for students to connect with like-minded individuals, fostering a sense of community and collaboration.

The LEO-Etrics Club is poised to build on this momentum, with a comprehensive plan for future service initiatives and educational programs to empower students as positive agents of their communities.

## 21. Blood Donation Camp

The Youth Red Cross (YRC) Club of Government College of Engineering (GCE) Salem, in collaboration with the S.K.S Hospital, organized a impactful Blood Donation Camp from February 4 to 6, 2020. This joint initiative aimed to address the critical need for blood donations while fostering community partnerships for a wider impact.

The collaboration between the YRC Club of GCE Salem and the Primary Health Centre showcased the power of community partnerships in addressing public health needs. This collaboration facilitated the seamless coordination of resources, expertise, and outreach efforts. The three-day Blood Donation Camp, held within the college premises, provided a conducive environment for both students and staff to actively participate in the donation drive. The extended duration allowed for sustained engagement and a substantial contribution to the blood bank.

A remarkable turnout was witnessed during the Blood Donation Camp, with a total of 42 students actively participating in this altruistic endeavor. The collaborative efforts of the YRC Club and the Primary Health Centre encouraged a diverse range of individuals to come forward and contribute to the community's health and well-being.

The Blood Donation Camp made a significant impact on the local community, addressing the constant need for blood in medical emergencies, surgeries, and treatments. The collaboration with the Primary Health Centre extended the outreach of the initiative, contributing to the overall health and well-being of the community. The success of the Blood Donation Camp was made possible through the collaborative efforts of the YRC Club, the Primary Health Centre, students, and volunteers. The organizers extend heartfelt gratitude to all contributors who played a crucial role in making the event a success and contributing to the larger cause of community health.

## 22. Dazzlers 20.0 - Awareness on significance of community engagement (Events with school students)

Dazzlers 20.0, a vibrant tapestry of academic and cultural events presented by the Rotaract Club of GCE Salem, captivated the Padmashree Muthayan Auditorium on February 15, 2020. This remarkable event drew the enthusiastic participation of 800 students from 56 schools, along with faculty and honoured guests, creating a day filled with talent and excitement.

R. Siva, the esteemed President of the Rotary Club of Salem West, graced the occasion as the Chief Guest. Mr. Siva delivered an inspiring address, focusing on the significance of community engagement, leadership, and the pivotal role of youth in societal development. His insights resonated with the audience, setting an encouraging tone for the events that followed.

Dr. G. Vimala Rosaline, the Principal of Government College of Engineering, Salem, delivered the Patron Address, underscoring the importance of such events in shaping well-rounded individuals.

DAZZLERS 20.0 featured a diverse array of events, catering to various interests and talents. The lineup included Sports Activities, Poetry Writing, Essay Writing, Presentations, and a stimulating Quiz. Students enthusiastically participated in these events, showcasing their skills and intellectual prowess.

DAZZLERS 20.0 was a resounding success, highlighting the dynamic spirit and talent within the Government College of Engineering, Salem. The support of distinguished guests like R. Siva and Dr. G. Vimala Rosaline added prestige to the event, making it a memorable day for all attendees. The collaboration with the Rotaract Club underscored the college's dedication to nurturing not only academic excellence but also responsible and socially aware individuals. The success of DAZZLERS 20.0 further solidifies GCE Salem's position as a hub for comprehensive and vibrant student engagement.

## **Report for Academic Year 2020-2021**

## **1. Green Patriotism: Tree plantation by NCC on Independence Day**

On the 15th of August 2020, Government College of Engineering Salem - 11 hosted a vibrant celebration to honor India's 74th Independence Day. Organized by the NCC Airwing, the event at this esteemed venue echoed with fervor and pride for the nation's freedom.

The ceremony commenced with the unfurling of the national flag, reverberating with the essence of patriotism. The highlight of the celebration was the captivating performance by NCC cadets who showcased impeccable drill sequences. Their synchronized movements and disciplined display mesmerized the viewers, symbolizing unity and dedication to the country.

Following the inspiring drill sequences, the event concluded with a meaningful tree plantation drive. The tree plantation served as a poignant reminder of the commitment to sustainability and environmental stewardship.

The tree plantation event was a symbolic gesture, underscoring the importance of preserving nature and nurturing a greener future. It exemplified the fusion of patriotism with the responsibility towards the environment, aligning with the principles of progress and harmony.

The celebration organized by the NCC Airwing of Government College of Engineering Salem - 11 was a testament to the spirit of unity and pride among the students. It not only commemorated India's freedom struggle but also emphasized the importance of collective action towards nation-building and environmental conservation.

The amalgamation of the NCC cadets' mesmerizing drill sequences and the meaningful tree plantation event encapsulated the essence of the occasion. It instilled a sense of responsibility, citizenship, and commitment among the attendees, fostering a deep appreciation for both the country's heritage and the environment's well-being.

## **2. Awareness on National Voter's day Pledge and Rally**

On January 25th, 2021, GCE Salem commemorated National Voter's Day with a pledge ceremony organized by the Principal. The event gathered students, faculty, and staff to underscore the significance of democratic participation. The pledge, administered by the Principal, emphasized the responsibility of every citizen to exercise their voting rights conscientiously and without prejudice. Attendees committed to staying informed about political issues and candidates, promoting a culture of informed decision-making.

In addition to the pledge, the celebration included awareness activities aimed at fostering a deeper understanding of the electoral process. Informational sessions covered topics such as voter registration, electoral laws, and the importance of voter turnout in strengthening democracy. Through interactive discussions and educational materials, participants gained insights into the electoral system's workings and their role as active citizens.

The event also featured speeches by guest speakers, highlighting the historical significance of National Voter's Day and its role in promoting democratic values. Speakers emphasized the need for collective action to safeguard democracy and protect voting rights.

Overall, the National Voter's Day celebration at GCE Salem served as a platform for raising awareness and promoting civic engagement. By reaffirming their commitment to democratic principles through the pledge and participating in educational activities, attendees demonstrated their dedication to shaping a more inclusive and participatory society. The event concluded with a renewed sense of responsibility and empowerment among the GCE Salem community, inspiring continued advocacy for democratic ideals.

NCC students from GCE Salem extended National Voter's Day awareness to surrounding communities. Through door-to-door campaigns, street plays, and informational pamphlets, they reached out to residents, emphasizing the importance of voting rights and civic duty. Organizing voter registration drives and interactive workshops in nearby areas, they educated individuals about electoral processes, candidates' roles, and voting procedures. By collaborating with local authorities and community leaders, they fostered a sense of collective responsibility and encouraged active participation in democracy. Their proactive outreach efforts inspired neighboring communities to engage in informed decision-making and uphold the principles of democratic governance.

### 3. Go Green on Republic day by NCC

#### Escort to Principal & Tamil Thai Vazhthu:

The programme has started with pilot march to our principal by our NCC cadets from the cabin to the flag hoisting ceremony area.

**Figure 3.1: Escort to Principal**

#### Flag Hoisting:

After the Tamil thai vazhthu our honorable principal hoisted our National Flag. Everyone paid their respect to our National Flag.

#### Speech By Chief Guest:

After the flag hoisting, our honorable Principal gave a wonderful Inspirational speech to everyone.

#### National Anthem:

Then the ceremony came to an end by National anthem. Everyone paid their respect to our National Anthem

#### Break Fast Arrangements:

After this ceremony break fast was arranged by our college. Food was provided to the parents, staffs and students.

#### Tree Plantation:

By the end of this ceremony our respected principal planted a tree in our campus, following this our vice principal, principal's PA, ANO, Staff and our students have planted a Tree in our campus to ensure a healthy world for tomorrow.

#### 4. Lifestyle of environment: Shaping Sustainable Leaders

The NCC Airwing of Government College of Engineering Salem organized a transformative program focused on instilling environmental consciousness among 18 participating cadets. This initiative aimed to underscore the pivotal role of lifestyle choices in shaping a sustainable future.

The program encompassed diverse activities curated to educate and empower cadets in championing environmental stewardship. Workshops, interactive discussions, and practical sessions were conducted, emphasizing the significance of adopting eco-friendly practices and their impact on environmental preservation.

Cadets delved into topics such as waste management, resource conservation, and the importance of renewable energy sources. They explored the feasibility of integrating sustainable practices into daily routines, aiming to reduce carbon footprints and promote a greener lifestyle. Moreover, the initiative fostered a sense of responsibility and leadership among the cadets, encouraging them to propagate these learnings within their circles of influence. It positioned them as advocates for sustainable living, aiming to inspire peers and communities to embrace eco-conscious habits.

By leveraging the platform provided by the NCC Airwing, Government College of Engineering Salem instilled a sense of environmental responsibility, nurturing future leaders committed to fostering a healthier and sustainable planet through conscientious lifestyle choices.

## 5. Save soil awareness program

In the year 2021, an impactful initiative called "Save Soil" reverberated through Salem's New Bus Stand, driven by a coalition of 20 committed flight cadets, orchestrated by the 5 TN AIR SQD (TECH) NCC, Save Soil.org, and the 12 TN BN NCC - Salem (Army Wing). This collective effort aimed to raise awareness about the critical importance of soil conservation and sustainable practices. The venue, chosen strategically for its accessibility and visibility, served as the canvas for various educational activities and demonstrations. The initiative encompassed informative sessions, interactive workshops, and engaging displays highlighting the significance of soil conservation in maintaining ecological balance. The flight cadets, with their dedication and enthusiasm, played a pivotal role in executing the campaign. They actively engaged with the public, disseminating information about soil degradation, its impact on agriculture and biodiversity, and the urgent need for preservation. Practical demonstrations on composting, soil testing, and techniques for minimizing soil erosion were showcased, educating attendees on actionable steps for soil conservation in their daily lives.

## 6. Anti – tobacco day awareness program

The NCC Airwing of Government College of Engineering Salem orchestrated a compelling campaign to observe Anti-Tobacco Day, involving the participation of 12 dedicated cadets. This initiative was designed to shed light on the detrimental effects of tobacco use and advocate for a tobacco-free lifestyle. The program encompassed various activities aimed at raising awareness and educating both the college community and the public about the perils of tobacco consumption. The cadets organized seminars, interactive sessions, and awareness drives within and outside the college premises, disseminating information about the health hazards associated with tobacco use.

Moreover, they creatively employed posters, banners, and informative pamphlets to amplify their message, emphasizing the importance of quitting tobacco and preventing its initiation among youth.

The cadets' efforts extended beyond the event, as they committed to ongoing advocacy, encouraging peers to adopt healthier choices and providing support for those aiming to quit tobacco addiction. Their commitment and dedication exemplified a strong stance against the widespread use of tobacco products.

Through this initiative, the NCC Airwing of Government College of Engineering Salem not only commemorated Anti-Tobacco Day but also ignited a sustained conversation and collective action toward building a healthier, tobacco-free community, showcasing the potential of youth-driven initiatives in combating societal health challenges.

## **Report for Academic Year 2021-2022**

## 1. Awareness Program on Single use plastics to school students

On July 2, 2021, the National Service Scheme (NSS) Units 1, 2, 3, and 4 of the Government College of Engineering (GCE), Salem, organized an impactful awareness program on single-use plastics for students at Government Elementary School in Saminayakanpatti, Salem. Aimed at educating the younger generation about the environmental hazards posed by single-use plastics, the initiative featured engaging presentations, interactive sessions, and informative discussions.

The NSS units effectively conveyed the message of responsible plastic usage and the importance of adopting sustainable alternatives. Practical demonstrations and awareness-building activities captured the students' attention, encouraging them to reduce their reliance on single-use plastics. The event successfully instilled a sense of environmental consciousness among the school students, fostering a commitment to eco-friendly practices and contributing to the larger goal of reducing plastic pollution in the community.

### **3. Youth Awakening Day: Rallying for Change - Uniting Voices, Igniting Action**

Government College of Engineering, Salem -11 celebrated the Youth Awakening Day, on the occasion of the birth anniversary of Dr A.P.J.Abdul Kalam, the former President of India, on 15.10.2022 (Saturday). Dr. R Malayalmurthi, Principal, GCE, Salem and R.Vaithianathan (NSS Unit-1 In-charge), M.Deepak Kumar (NSS Unit-2 In-charge), K.Sakunthala (NSS Unit-3 In-charge), T.Murugesan (NSS Unit-4 In-charge) & NSS students were present on the event. Dr R Malayalmurthi, Principal, GCE, Salem welcomed the gathering and spoke about the significance of Youth Awakening Day, which is celebrated every year to recall the insightful thoughts to empower the youth and to transform India as a prosperous nation. The Staff and students went for a Rally along with the display boards delivering the quotes of Dr A.P.J.Abdul Kalam for student's community.

## 4. Combined Annual Training Camp

Combined Annual Training Camp was conducted for cadets of 5TN AIR SQN TECH NCC at Sengunthar college of Engineering Tiruchengode – 637 205. From 15.11.2021 to 22.11.2021. The camp included both Senior Division and Senior Wing cadets from 11 colleges.

### Double Barrel rifle:

Over the course of the camp, all cadets were given chances to fire rounds using the Double barrel shotgun at the clay pigeons. This experience made us realize that marksmanship is one of those fine practical skills that have an extremely deep impact on its users. It forces the person trying to master it to be relentless, to evaluate multiple factors in mere milliseconds and take decisive action, and to push one's mind and body to the absolute limits of control. These impacts I felt while training are things I carry forward on a daily basis to maximize my efficiency at any task I pursue and am grateful to have had this experience.

### Tent Pitching:

Apart from its importance in adventure camps, tent pitching teaches a cadet to collaborate with others efficiently to complete a task in minimum time. In this activity, cadets are trained to program their reflexes so that they can put up temporary or permanent tents in the least time possible. It requires teamwork, understanding and quick decision making to use human resources effectively.

**Figure 4.1: Tent Pitching Activities at Sengunthar College of Engineering, Tiruchengode**

## 5. Blood Donation Camp

On the 22nd of November 2021, a remarkable act of altruism unfolded at GCE, Salem with the initiation of a blood donation camp. The event witnessed active participation from 25 dedicated flight cadets belonging to the NCC Airwing of Government College of Engineering Salem 11, marking a significant contribution to this life-saving initiative.

Commencing at 11:00 am, the blood donation camp aimed to address the perpetual demand for blood in medical emergencies and raise awareness about the critical need for voluntary blood donation. The participation of the NCC flight cadets was instrumental in fostering enthusiasm and encouraging others to join in this humanitarian effort. Their presence not only showcased their commitment to social welfare but also inspired fellow students and faculty to contribute to the cause.

Under the supervision of trained medical professionals, the blood donation process proceeded smoothly, ensuring the safety and well-being of the donors. The NCC flight cadets exhibited commendable courage and selflessness as they actively participated in donating blood, setting an exemplary standard for community service.

The blood donation camp epitomized the spirit of unity and generosity, transcending boundaries to save lives. It exemplified how collective action, fueled by compassion, can significantly impact healthcare services.

## 6. Clean India Campaign

Clean India Campaign was conducted by cadets of 5 TN AIR SQN(TECH) NCC from GCE on 29th November 2021 at Government College Of Engineering, Salem and SIDCO Development Corporation, Salem. Swachh Bharat Mission (SBM), Swachh Bharat Abhiyan, or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. The mission was split into two: rural and urban. In rural areas "SBM - Gramin" was financed and monitored through the Ministry of Drinking Water and Sanitation (since converted to the Department of Drinking Water and Sanitation under the Ministry of Jal Shakti; whereas "SBM - urban" was overseen by the Ministry of Housing and Urban Affairs.

As mentioned above the campaign was conducted on 29th November 2021 by Air Wing Cadet of Government College of Engineering, Salem-11, started by Principal Dr.C.Vasanthanayagi and supervised by Associate NCC Officer Mr.M.Mohanraj. The campaign consist of 26 cadets (17-SD, 9-SW) started at 4.00PM and end at 6.00PM. Firstly the troop was divided into 5 teams in which 2 members for each team. Using large basket (one for each team), collected all the plastics around the surrounding and filled it in a single bag. Secondly, with slight interchange of team members as per their interest cleaned all the place using broom sticks and dumped, degradable wastes in another bag. All the team members worked with great enthusiasm and energy and josh, with a belief of clean India. It really made the campaign to be really useful. At last the troop gathered 3kg of plastics and 6kg of degradable wastes. We disposed the degradable waste by dumping it in a large decomposition pit and plastics were sent off for recycling. The activity spread awareness amongst the people around, and to keep their surroundings clean and put the garbage in dustbins. At the end, the troop members completed the activity and shouted out with josh "Clean India, Green India" and a smile, which makes the campaign great and successful.

## 7. Eye checkup camp for Karuppur village people

On January 25, 2022, NSS Units 1, 2, 3, and 4 of the Government College of Engineering (GCE), Salem, in collaboration with Lotus Eye Hospital, organized an eye checkup camp at GCE Salem for the people of Karuppur village. The collaborative effort aimed to provide essential eye care services to the underserved population, promoting overall well-being.

Under the expert guidance of Lotus Eye Hospital, people from Karuppur village received thorough eye examinations. The camp not only facilitated early detection of potential vision issues but also offered necessary consultations and guidance on maintaining ocular health. This community-centered event exemplified the social responsibility of educational institutions and healthcare providers, fostering a culture of preventive healthcare. The successful execution of the eye checkup camp underscored the positive impact that collaborative initiatives can have on the health and quality of life for the people of Karuppur village.

**Figure 7.1: Eye Checkup Camp for Village people**

## 8. Go Green on Republic Day by NCC

On behalf of 73rd Republic Day, our honorable Principal, Dr.M.Malayalamoorthi Sir, Department Staff, NCC Cadets and College Students are gathered in Administrative Block to celebrate Republic Day. Republic Day Function is lead by Air Wing NCC Cadets of GCE. In this, Pilot Marching Cadets and Parade Commander invite Principal from his Office to the Ceremony Area which is infront of Admin Block. Then the Principal comes to the stage and sit on his chair. After that Function begins. Then everyone stand for the Song of Tamil Thaaai Vaazhththu to honouring the God of Tamil. During this everyone sing the song by standing in attention to give their respect.

After that, Parade Commander invites Principal from his stage to hoist the National Flag. During this everyone pay their respect to National Flag by standing in Attention Position. Then they Salute to the National Flag. After that Parade Commander ask Permission to start the Republic Day Ceremony that is the NCC Cadets doing the Sequence of Foot Drill as well as Arm Drill. When Principal grants Permission, Drill sequence begins from the command of Parade Commander.

As mentioned above the campaign was conducted on 29th November 2021 by Air Wing Cadet of Government College of Engineering, Salem-11, started by Principal Dr.C.Vasanthanayagi and supervised by Associate NCC Officer Mr.M.Mohanraj. The campaign consist of 26 cadets (17-SD, 9-SW) started at 4.00PM and end at 6.00PM. Firstly the troop was divided into 5. In the event of Drill, NCC Cadets gathered as a Troop in left side of the Parade Commander. After that Parade Commander gives command to the troop to do the Marching and various sequences of Drill.

First they do Foot Drill Sequences and then they do the Arm Drill Sequences. The ultimate aim of Drill event is to show the Unity and Discipline among the NCC Cadets. When the sequences are over, Parade Commander commands his troop to Halt.

## 10. In and Around campus cleaning

On February 24, 2022, the National Service Scheme (NSS) Volunteers of Government College of Engineering (GCE), Salem, demonstrated their commitment to cleanliness by organizing a comprehensive cleanup campaign. The entire college campus and surrounding areas, including SIDCO Women's Industrial Park Road and Sangitapatti Road, underwent thorough cleaning.

Utilizing bulldozers, the volunteers efficiently removed bushes and unwanted plants, contributing to the beautification and hygiene of the region. This proactive initiative not only enhanced the aesthetic appeal of the campus and its vicinity but also underscored the NSS volunteers' dedication to community welfare and environmental stewardship.

## 11. Home visit: Thai Anbu Illam

On February 26, 2022, the LEO-Etrics Club organized a heartwarming home visit to Thai Anbu Illam, demonstrating their commitment to social service. The visit, attended by 45 club members, aimed to bring joy and support to the residents of Thai Anbu Illam, a home for underprivileged individuals.

During the visit, LEO-Etrics members engaged in various activities, including interactive sessions, games, and distributing essential items to enhance the residents' well-being. The team fostered a sense of companionship and solidarity, creating a positive and uplifting atmosphere within the home. This outreach not only provided practical assistance but also emphasized the importance of empathy and community involvement.

The home visit to Thai Anbu Illam stands as a shining example of the LEO-Etrics Club's dedication to making a meaningful impact on the lives of those in need, fostering a spirit of compassion and goodwill in the community.

### 13. Blood Donation Camp

On April 4, 2022, a significant blood donation camp was organized by the NCC of GCE Salem in collaboration with the Government Mohan Kumaramangalam Medical College and Hospital in Salem. A total of 60 individuals generously participated in this noble initiative, demonstrating their commitment to saving lives through voluntary blood donation.

The camp facilitated easy access for both student volunteers and medical staff. NCC members actively promoted awareness about the importance of blood donation, encouraging community members to contribute to this life-saving cause. The collaboration with the medical college ensured a seamless and professional execution of the camp, ensuring the collected blood would be utilized for medical emergencies and transfusions. This joint effort exemplifies the spirit of social responsibility and solidarity in addressing critical healthcare needs within the community.

## **14. Regular cleaning and tree plantation at Vellakalpatti village**

On April 9, 2022, the National Service Scheme (NSS) Units 1, 2, 3, and 4 of Government College of Engineering, Salem, organised a Regular cleaning and tree plantation at Vellakalpatti village. The initiative comprised two pivotal components—regular cleaning and tree plantation—aiming to enhance both environmental sustainability and the overall well-being of the village.

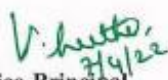

A remarkable total of 350 student volunteers actively participated in this event, collaborating to clean the surroundings and engage in an extensive tree plantation drive. The cleaning activities targeted public spaces, contributing to a cleaner and healthier environment for the villagers. Simultaneously, the tree plantation effort focused on fostering greenery and ecological balance.

This joint endeavor not only exemplified the collective commitment of NSS volunteers to community welfare but also left a lasting positive impact on the environmental and aesthetic aspects of Vellakalpatti village, showcasing the profound influence of concerted community engagement.

## 15. Inauguration of Standards Club and Tree Plantation

With our principal permission, we started our inaugural function with a warm welcome speech delivered by the Standards club mentor Dr. A. P. Sathiyagnanam, Associate Professor, Department of Mechanical Engineering setting the tone for the beautiful initiation of "STANDARDS CLUB" in our esteemed organization "Government College of Engineering Salem" dedicated to the pursuit of excellence and adherence to standards on 05/05/2022 at Digital library. The welcome address highlighted the club's mission to foster a culture of quality and innovation.

Our respectable principal Dr.R.Malayalamurthi emphasizing the importance of standards in various domains. He shared insights into the club's vision, emphasizing the role of each member in upholding and promoting standards in their respective fields.

A highlight of the event was the enlightening presentation by our distinguished chief guest from Bureau of Indian Standards (BIS) Mr. Akhil D (Scientist – B) shedding light on the significance of Bureau of Indian Standards. The students gained valuable insights into the basics of standards and the role of standards in ensuring product quality, safety and reliability.

Symbolizing the illumination of knowledge and commitment to standards, the lighting of lamps ceremony brought a sense of solemnity to the occasion. Each lamp represented a member's pledge to uphold and propagate the principles of quality and standards. The honorable chief guest, respectable principal, righteous mentor, co-mentor of standards club lightened the lamp of inauguration.

Expressing gratitude to all who contributed to the success of the event, the vote of thanks was proposed by our co-mentor Dr.P.Anitha, Assistant Professor, Department of Chemistry who acknowledged the hard work of the organizing committee, the support of the attendees and the invaluable insights shared by the chief guest. It served as a fitting conclusion to the formal segment of the program. The inaugural function of the Standards Club was not just an event; it marked the beginning of a collective journey towards excellence, guided by the principles of standards and quality

To infuse an element of excitement and engagement, the follow up session of inaugural function was the quiz competition. 105 student participants showcased their knowledge of standards, fostering a sense of healthy competition and camaraderie among the student members.

## **16. Industrial Visit to M/s JSW Steel Plant (Exposure to real-world industrial practices in terms of standards and quality)**

On 20/05/2022, the GCE Salem Standards Club proudly embarked on an industrial enrichment journey to M/S JSW Steel Plant - Salem a leading steel producer in India. This meticulously planned excursion aimed to provide our members, including our esteemed mentor and co-mentor, with a first-hand exposure to the intricate processes and technological advancements shaping the steel industry.

With a group of 35 enthusiastic student participants from various department, we set off on our educational adventure, eager to delve into the world of steel manufacturing. Upon arrival at the M/S JSW Steel Plant - Salem, we were warmly welcomed by the plant's officials, who graciously guided us through the various stages of steel production.

During the visit, the students were exposed to various aspects of the steelmaking process, including:

- Iron making: The students witnessed transformation of iron ore into molten iron, a crucial step in the steelmaking process.
- Steelmaking: They observed the conversion of molten iron into steel through various refining techniques, including basic oxygen furnace (BOF) and electric arc furnace (EAF) processes.
- Rolling: The students were fascinated by the rolling process, where steel is shaped into various forms, such as plates, sheets, and coils.
- Testing and Quality Control: They gained an understanding of testing and quality control measures employed by JSW Steel to ensure the highest standards of product quality.

Beyond the technical aspects, the visit also provided the students with insights into the environmental and sustainability initiatives undertaken by JSW Steel. We were impressed by the company's commitment to reducing its carbon footprint and adopting eco-friendly practices.

The Standards Club members were highly appreciative of the opportunity to visit the JSW Steel Plant. The experience not only enhanced our understanding of steelmaking but also instilled in us a deeper appreciation for the role of industry in shaping our world.

The visit to JSW Steel Plant exemplifies the Standards Club's commitment to fostering industry-academia collaboration, providing students with invaluable exposure to real-world industrial practices. Such initiatives play a vital role in bridging the gap between theoretical knowledge and practical application, preparing students for a successful career in the field of engineering.

## **Report for Academic Year 2022-2023**

## 1. Cleaning of the entire College Campus

On the eve of birthday Anniversary of the former Chief Minister Dr.K.Karunanidhi a “Mass Cleaning Campaign” event is celebrated on 03.06.2022 at Government College of Engineering, Salem. The event started with welcoming our beloved Principal Dr.R.Malayalamoorthy. NSS program officers Prof.R.Vaithianathan, Prof.M.Deepak Kumar, Dr.K.Sakunthala and Dr.T.Murugesan & hostel officials Prof.S.Sundari, Prof. V.C.A.Asokkumar graced the occasion. After the addressing in welcoming the officials, Principal addressed the gathering about the importance of mass cleaning. He has suggested the gathering to clean their places at least in a week so that cleanliness is maintained inside the premises.

Nearly 250 volunteers from all departments have actively participated in cleaning the college campus. The boys and girls were very eager in cleaning all the wastes near the hostel premises. The sanitary workers of our college helped a lot supporting the student volunteers. The event ended with refreshments for students, faculty members and hostel officials.

## **2. Zenith 22.0 - Awareness on community service, and the importance of student initiatives in shaping a better society**

ZENITH 22.0, a spectacular event jointly presented by the Government College of Engineering Salem and the Rotaract Club of GCE Salem, unfolded on June 4, 2022. The collaborative effort aimed to showcase the multifaceted talents of the student body and promote a spirit of community engagement. The event was honored to have Mr. Arunkumar, President of the Rotary Club Salem West, as the esteemed Chief Guest. His presence added a layer of inspiration to ZENITH 22.0, aligning with the event's theme of excellence, leadership, and community service.

Dr. R. Malayalamuthi, the esteemed Principal of Government College of Engineering Salem, presided over the event. His leadership and vision have been instrumental in fostering a dynamic academic environment within the institution.

ZENITH 22.0 featured a diverse range of activities, including cultural performances, academic exhibitions, and community outreach initiatives. The event aimed to celebrate the achievements of students in various fields, from arts and sciences to technology and community service. The collaboration between the Government College of Engineering Salem and the Rotaract Club of GCE Salem underscored the institutions' commitment to holistic education. The event served as a platform to integrate cultural, academic, and social initiatives, promoting a well-rounded educational experience.

Students presented research findings, innovative ideas, and technical insights, contributing to the intellectual discourse within the college community. A platform for budding designers to showcase their creativity and branding skills. The Logo Design event encouraged students to visually represent the essence of ZENITH 22.0. The success of ZENITH 22.0 was made possible through the collective efforts of students, faculty, and the Rotaract Club members. The organizers express their gratitude to all participants, volunteers, and sponsors who contributed to the event's success. Cleaning activities were done at Karuppur village, Salem.

### 3. Child labor awareness Pledge and Rally

On June 10, 2022, a resolute initiative was undertaken by the Government of Tamil Nadu in collaboration with Government College of Engineering (GCE), Salem, to raise awareness about child labor. The event commenced with a solemn pledge ceremony, wherein participants vowed to combat and eradicate child labor in all its forms.

Following the pledge, a spirited rally was organized, traversing key locations in Salem to amplify the message against child labor. Banners, placards, and enthusiastic chants resonated, creating a powerful visual impact. The collaborative effort of the Government of Tamil Nadu and GCE Salem on this day sought to galvanize the community, instilling a commitment to eliminate child labor and promote education as a fundamental right for every child. This event marked a significant stride towards building a society that safeguards the innocence and future of its youngest members.

#### **4. Home Visit 1 Thai Anbu Illam**

The LEO-Etrics Club organized a compassionate home visit to Thai Anbu Illam on June 11, 2022, reflecting the club's commitment to community service and outreach. With the participation of 60 students, the event aimed to bring joy, companionship, and support to the residents of Thai Anbu Illam, underscoring the importance of caring for those in need. The participants from the LEO-Etrics Club were warmly welcomed by the residents of Thai Anbu Illam, creating an immediate atmosphere of camaraderie.

Participants engaged in heartfelt conversations with the residents, learning about their life stories and experiences. The interactions were marked by laughter, smiles, and a sense of shared connection. Essential items were distributed with care and consideration for the specific needs of each resident. The gesture was met with gratitude, and the residents appreciated the support from the LEO-Etrics Club.

The home visit to Thai Anbu Illam had a meaningful impact on both the participants and the residents. The joy and appreciation expressed by the residents highlighted the success of the event in bringing happiness and a sense of community to Thai Anbu Illam. Participants from the LEO-Etrics Club expressed a deepened understanding of the importance of compassion and service. The experience reinforced the club's commitment to organizing more initiatives that contribute to the well-being of different segments of the community.

## 5. Home Visit 2: Nesakarangal

The LEO-Etrics Club continued its commitment to community service with a heartfelt home visit to Nesakarangal on June 11, 2022. With the participation of 60 individuals, the event aimed to bring warmth, companionship, and essential support to the residents of Nesakarangal, reflecting the club's dedication to making a positive impact in the community. Participants from the LEO-Etrics Club received a warm welcome from the residents of Nesakarangal, fostering an immediate sense of connection and community. Essential items, including food packages and personal care items, were distributed to the residents. The thoughtful contributions were met with gratitude, and residents expressed appreciation for the support.

The home visit to Nesakarangal had a meaningful impact on both the participants and the residents. The expressions of gratitude and joy from the residents underscored the success of the event in bringing comfort and a sense of community to Nesakarangal. Participants from the LEO-Etrics Club reflected on the importance of compassion and service, reiterating the club's commitment to creating positive experiences for those in need.

## 6. Awareness program on public health

On June 13, 2022, NSS Units 1, 2, 3, and 4 of Government College of Engineering (GCE), Salem, joined forces with Government Hospital, Omalur, to conduct a vital awareness program on public health in Matukaranur. The initiative, attended by 50 participants, aimed to disseminate crucial information about maintaining a healthy lifestyle and preventing the spread of diseases.

The event commenced with informative sessions on hygiene practices, vaccination awareness, and the importance of regular health check-ups. Interactive workshops engaged participants in discussions and practical demonstrations to reinforce key health-related concepts.

Collaborative efforts resulted in a health awareness rally, which traversed through Matukaranur, creating a visual spectacle to underscore the significance of public health. This program, bridging the academic and healthcare sectors, stood as a testament to the commitment of NSS Units and the Government Hospital, Omalur, in promoting community well-being and fostering a culture of proactive health consciousness in Matukaranur.

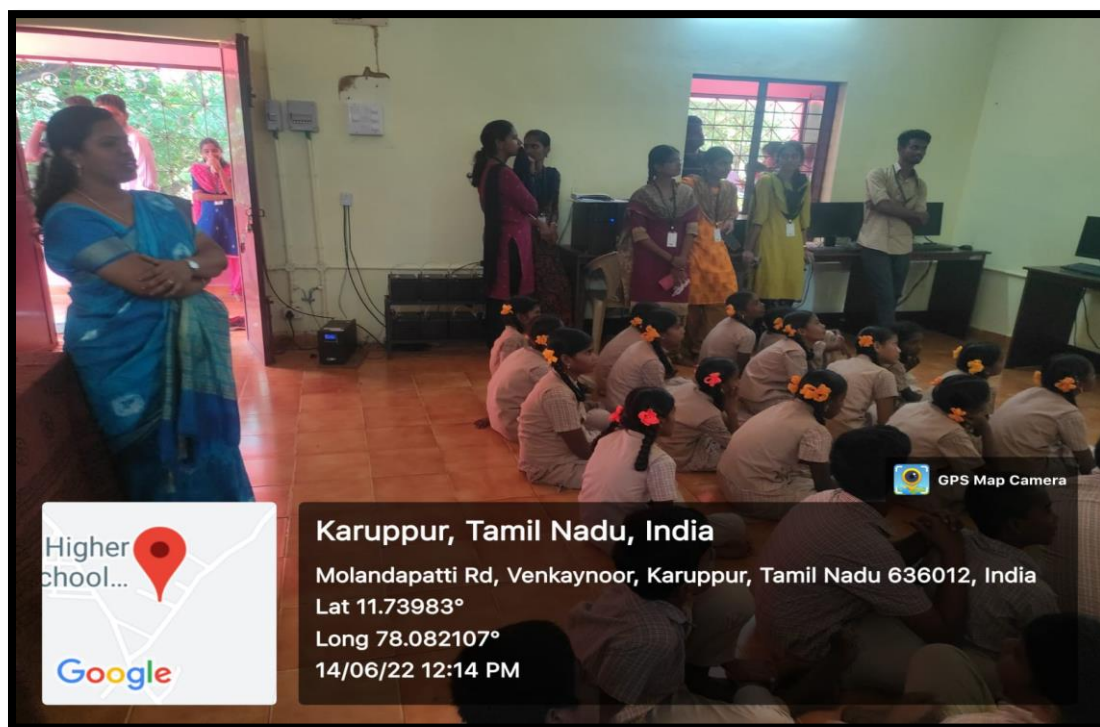

**Figure 6.1 Medical camp at Mattukaranur village**

## 7. Awareness on Health and Education drive to school students

On June 14, 2022, NSS Units 1, 2, 3, and 4 of Government College of Engineering (GCE), Salem, under the guidance of Prof. K. Sakunthala, AP/Mechanical, organized a comprehensive awareness program on health and education in Venkayanoor village, Salem. The event was strategically designed to address the critical intersections of health and education for school students, emphasizing their holistic development.

The program featured informative sessions on maintaining good health through hygiene practices, balanced nutrition, and regular exercise. Simultaneously, the significance of education in shaping a promising future was underscored, with discussions on the importance of school attendance and academic pursuits.

Interactive workshops engaged students in practical demonstrations, fostering a hands-on understanding of health and educational concepts. The NSS units, along with Prof. K. Sakunthala, orchestrated a collaborative effort to instill a sense of responsibility towards one's well-being and academic growth, marking a proactive stride towards community development in Venkayanoor village, Salem.

## 8. Combined Annual Training Camp

Our cadets from Government College of Engineering have attended the combined annual training camp from 14/06/2022 to 23/06/2022 in GCE, Salem for 09 days. The Camp included both senior division and Senior Wing from Second- and Third-year cadets from 12 colleges.

**Figure 8.1: Poster**

The daily training routine starts from 0530 hrs to 2230 hrs and cadets should be prepared for rigorous training and should take precautions themselves for inclement weather. A number of competitions will be conducted during the camp with an objective and make them aware of the team spirit among the cadets, which will include individual events.

### Josh Run:

Josh run, a long run of 2 km consisting of 11 teams each team consist of 5 members of 3 Boys (SD) and 2 Girls (SW). Our Cadets 1. Divith 2. Suriya 3. Murali 4. Udhaya Sri 5. Yesanbeni Murry had participated in the event and got the first prize.

### Academics:

An examination on special subjects will be conducted on 14 June 2022 for all the cadet. And our cadets have made remarkable achievements our second-year cadet Akash had achieved 3<sup>rd</sup> position.

### Volley Ball:

Volley ball matches have been conducted on the camp between each institution. Our GCE team have secured the 3<sup>rd</sup> position among the 12 institutions.

### Throw Ball:

A Throw ball match has been conducted for SWs between 12 institution and our cadets from GCE have secured the 2<sup>nd</sup> position.

### Line Area:

Line area events have been conducted on the camp. It's a golden opportunity for our cadets to express their creativity and our GCE team have secured 2nd position. And our 14 cadets have been selected for the next higher level for representing 5 TN AIR SQN TECH NCC. We are very happy to say that our Institution has secured Overall Second Place in the camp and seven individual medals for academics, josh run and throw ball.

## 9. Farmer's Awareness program on Government Schemes and events

On June 15, 2022, a Farmer's Awareness Program was conducted by NSS Unit-3 at Saminaickenpatti village, Salem, aimed at enlightening local farmers about government schemes and events. With a gathering of 60 participants, the program sought to bridge the gap between farmers and available support systems.

The event commenced with an informative session detailing various government schemes, subsidies, and events tailored to benefit the agricultural community. Emphasis was placed on the importance of timely awareness and participation in these initiatives for the overall improvement of farming practices.

Interactive discussions and Q&A sessions allowed farmers to clarify doubts and gain insights into optimizing the benefits of these programs. The NSS Unit-3 played a pivotal role in facilitating this exchange of information, fostering a stronger connection between the farming community and government resources. This initiative in Saminaickenpatti village stood as a significant step toward empowering farmers with knowledge and enhancing their access to vital support.

**Figure 9.1: Awareness program for Farmers at saminaickenpatti village**

## 10. Anti-Elder Abuse Day Awareness Pledge and Rally

On June 15, 2022, a poignant initiative took place as the Government of Tamil Nadu, in collaboration with Government College of Engineering (GCE), Salem, organized an Anti-Elder Abuse Day Awareness Pledge and Rally. Attended by 1276 participants, including students, faculties, the event aimed to raise awareness about the prevalence of elder abuse and foster a sense of responsibility toward the well-being of the elderly.

The day commenced with a solemn pledge ceremony, where participants vowed to stand against elder abuse and promote a culture of respect and care for the elderly. Following the pledge, a rally was conducted through key locations in Salem.

This collaborative effort between the Government of Tamil Nadu and GCE Salem marked a powerful step towards building a society that cherishes and protects its elder population, sending a resounding message against elder abuse.

## 11. NSS Unit 1 Special Camp at Ettikuttapatti village

On June 16, 2022, the NSS Unit-1 embarked on a transformative journey with a Special Camp at Ettikuttapatti village, Salem, engaging 60 enthusiastic participants. The camp was a dynamic initiative fostering community development, social awareness, and active participation.

The NSS volunteers actively participated in various community-centric activities, ranging from cleanliness drives to educational outreach programs. Initiatives included organizing health awareness sessions, skill-building workshops, and conducting interactive sessions on hygiene and sanitation practices.

In addition, the NSS Unit-1 orchestrated cultural exchanges, facilitating a strong bond between the volunteers and the residents of Ettikuttapatti. The camp served as a platform to address local issues, promoting sustainable solutions and empowering the community to create a positive impact.

This Special Camp at Ettikuttapatti village exemplified the NSS Unit-1's commitment to social responsibility, providing a platform for collective learning, collaboration, and meaningful community engagement. The camp left an indelible mark, fostering a spirit of civic duty and community service among the participants.

**Figure 11.1 Rally at Ettikuttapatti village**

## 12. NSS Unit 2 Special Camp at Molandipatti village

On June 16, 2022, the NSS Unit-2 embarked on a transformative journey with a Special Camp at Molandipatti village, Salem, engaging 60 enthusiastic participants. The camp was a dynamic initiative fostering community development, social awareness, and active participation.

The NSS volunteers actively participated in various community-centric activities, ranging from cleanliness drives to educational outreach programs. Initiatives included organizing health awareness sessions, skill-building workshops, and conducting interactive sessions on hygiene and sanitation practices.

In addition, the NSS Unit-2 orchestrated cultural exchanges, facilitating a strong bond between the volunteers and the residents of Molandipatti. The camp served as a platform to address local issues, promoting sustainable solutions and empowering the community to create a positive impact.

This Special Camp at Molandipatti village exemplified the NSS Unit-2's commitment to social responsibility, providing a platform for collective learning, collaboration, and meaningful community engagement. The camp left an indelible mark, fostering a spirit of civic duty and community service among the participants.

## 14. Eye checkup for the Karuppur village people

On July 13, 2022, a commendable eye checkup event took place in Karuppur village, orchestrated by NSS Units 1, 2, 3 & 4 of GCE (Government College of Engineering), Salem, in collaboration with Aravind Eye Hospitals, Salem. The initiative aimed to provide comprehensive eye care services to the residents of Karuppur, enhancing their visual health and overall well-being.

With a total of 180 individuals benefiting from the eye checkup, the event demonstrated a strong commitment to community welfare. The collaboration between academic institutions and renowned healthcare facilities like Aravind Eye Hospitals reflects a positive synergy between education and healthcare. The villagers received thorough examinations, vision assessments, and valuable advice on maintaining optimal eye health.

This outreach not only addressed immediate eye care needs but also raised awareness about the importance of regular checkups. Such initiatives play a pivotal role in fostering community health and exemplify the positive impact that collaborative efforts can have on the lives of individuals in underserved areas like Karuppur village.

## 15. Awareness on Anti-Drug Pledge on Drug Free Tamil Nadu

On August 11, 2022, a pivotal event unfolded as the Tamil Nadu Police collaborated with GCE Salem to raise awareness on a drug-free Tamil Nadu. The initiative aimed to instill a sense of responsibility and commitment to a drug-free society by organizing an Anti-Drug Pledge. Attended by 710 participants, this gathering served as a significant platform for fostering community involvement in the fight against substance abuse.

The event not only underscored the importance of individual choices but also highlighted the role of educational institutions and law enforcement agencies in shaping a healthier and safer environment. Through compelling presentations and interactions, participants were sensitized to the detrimental effects of drug abuse, reinforcing the collective responsibility to combat this societal menace. The impressive turnout and collaboration between the Tamil Nadu Police and GCE Salem underscored the community's united front against drugs, contributing to a stronger, more resilient Tamil Nadu.

## 16. Puneet Sagar Abhiyan

On behalf of International Youth Day on 12.08.2022 Government College of Engineering, Salem and CSI Polytechnic College, Salem organised River Cleaning Activity - Puneet Sagar Abhiyan.

In this activity 52 NCC cadets gathered near riverbed of Varatteri nearly 9.30 am. All of the cadets participated and clean the riverbed of Varatteri which is 150 meters backside of Salem Central Jail. The cadets clean the riverbed by picking up of Bio-Degradable wastes and Non Bio-Degradable wastes and drop the wastes into the Gunny Bags under the Supervising of Flying Officer Mohanraj.M of Government College Of Engineering, Salem and Flying Officer Vijay Babu of CSI Polytechnic College, Salem.

During this activity the cadets undergoes suitable measures such as Hand Gloves, Cleaning Spade, Dettol and Gunny Bags for carrying this activity without Causing any Infection to cadets. At last, the wastes are collected to the Gunny bags and handover it to the Local Panchayat Bodies. Overall 40Kg (10 Big Gunny Bags) Plastics Collected and 25Kg Plastic Deposited for Recycling.

## **17. Green Patriotism: Tree plantation by NCC on Independence Day**

On the 15th of August 2022, Government College of Engineering Salem 11 commemorated India's 76th Independence Day with a vibrant celebration organized by the NCC Airwing. The venue echoed with patriotic fervor as students, faculty, and dignitaries gathered to honor the nation's freedom.

The ceremony commenced with the hoisting of the national flag, followed by cultural presentations that reflected India's rich diversity. The highlight of the event was a stunning performance by NCC cadets, showcasing impeccable drill sequences. Their synchronized movements captivated the audience, symbolizing unity and discipline.

To culminate the celebration, a meaningful tree plantation event took place. This gesture underscored the commitment to environmental sustainability, merging patriotism with a dedication to nurturing a greener future.

The celebration organized by the NCC Airwing of Government College of Engineering Salem 11 was a testament to the collective spirit of patriotism and environmental consciousness among the attendees. It not only commemorated India's independence but also emphasized the importance of preserving the environment for future generations.

The amalgamation of the NCC cadets' mesmerizing drill sequences and the significant tree plantation event encapsulated the essence of the Independence Day celebration. It fostered a sense of responsibility, citizenship, and commitment, reinforcing the significance of honoring the country's heritage while ensuring a sustainable tomorrow.

## 18. Celebration of 75th Independence Day and Rally

Government College of Engineering, Salem -11 celebrated the 75<sup>th</sup> Independence Day, on 15.08.2022. Dr. R Malayalmurthi, Principal, GCE, Salem, Faculty members and students were present for the celebration. Dr R Malayalmurthi, Principal, GCE, Salem welcomed the gathering and spoke about the significance of 75<sup>th</sup> Independence Day, which is celebrated every year to recall the insightful thoughts to empower the youth and to transform India as a prosperous nation. The Staff and students went for a Rally along with the national flags and spoken to the public people about the celebration of our Independence Day.

## 19. Awareness Program on CPR – The Life saving technique

On the 30th of August 2022, Government College of Engineering Salem witnessed a transformative CPR awareness program facilitated by the NCC Airwing, engaging 20 NCC cadets. The venue is at Narasu's Sarathy Institute of Technology, Salem.

The session comprised interactive demonstrations, theoretical insights, and hands-on practice sessions, equipping the cadets with essential CPR skills. The training emphasized the immediate steps needed to respond effectively to cardiac emergencies, highlighting the significance of prompt intervention in saving lives.

Government College of Engineering Salem provided a conducive environment for learning and practical application, enabling cadets to grasp the fundamentals of CPR. The training sessions were comprehensive, covering techniques for assessing a situation, performing chest compressions, and administering rescue breaths.

The initiative aimed not only to educate NCC cadets but also to empower them as first responders in emergency situations within their communities. Beyond the theoretical knowledge, the practical experience instilled confidence in their ability to act swiftly and decisively during critical moments.

By hosting this CPR awareness program, the NCC Airwing of Government College of Engineering Salem illustrated its commitment to equipping youth with life-saving skills. This initiative stands as a testament to the potential of informed individuals to make a substantial difference in emergency situations, fostering a community prepared to respond effectively to medical crises.

## **20. Cleaning in and around the college premises**

The National Service Scheme (NSS) of GCE, Salem has 4 units which are being instructed and guided by the NSS Cell, Anna University, Chennai. Each unit is allotted with one Program Coordinator and 100 students from all 6 UG regular courses. The NSS volunteers are involved in regular cleaning and maintenance activities inside the college campus during evening hours. The students were encouraged to plant trees to keep the college campus green. The students were able to learn and experience to keep their environment clean and green through the activities.

## 21. Awareness program on Social, Environmental and Cleanliness

On October 12, 2022, an impactful awareness program unfolded at Government School, Saminayakanpatti, organized by NSS Unit-3. The initiative focused on instilling awareness regarding social responsibility, environmental conservation, and cleanliness practices among the participants. Attended by 58 individuals, the program aimed to foster a sense of civic duty and environmental consciousness within the community.

Through engaging presentations and interactive sessions, the participants were enlightened about the importance of maintaining cleanliness, understanding social issues, and actively contributing to environmental sustainability. Practical demonstrations and discussions facilitated a deeper understanding of individual roles in creating a cleaner and more socially responsible community.

The event at Government School, Saminayakanpatti, showcased the positive impact that targeted awareness programs can have on shaping responsible citizens and promoting a culture of cleanliness and environmental stewardship at the grassroots level.

**Figure 21.1: Inauguration and cleanliness drive**

## 22. Awareness program on Welfare Schemes provided by government

On October 13, 2022, a significant awareness program unfolded at Saminayakanpatti village, organised by NSS Unit-3. The initiative aimed to enlighten and empower the local community by providing insights into various welfare schemes offered by the government. Attended by 58 individuals, the program focused on bridging the information gap and ensuring that residents were well-informed about the support systems available to them.

Through informative sessions and interactive discussions, participants gained valuable knowledge about government-sponsored welfare schemes related to healthcare, education, employment, and social security. The event not only aimed at creating awareness but also encouraged active participation in availing the benefits of these initiatives.

By fostering a deeper understanding of government welfare programs, the awareness program at Saminayakanpatti village played a pivotal role in promoting social inclusivity and empowering individuals to access the support systems designed to improve their quality of life. The engagement of 58 participants reflects a positive step towards ensuring the effective implementation of government welfare initiatives at the grassroots level.

**Figure 22.1 Awareness program on government schemes at saminackenpatti village**

## **23. World Standards Day - Awareness about BIS Standards and BIS Care App**

The GCE Salem Standards Club is dedicated to promoting community awareness and engagement. In line with this mission, we organized one phase of door-to-door campaigns. The door -to -door campaign was conducted on 14/10/2022 (Standards Day) to raise awareness about BIS Standards and BIS Care App.

Our door-to-door campaign was met with a warm reception from the community. People from different places expressed appreciation for our efforts to bring attention about BIS CARE APP and acknowledged the importance of addressing this issue. The campaign provided a platform for meaningful conversations and allowed us to gauge the community's understanding of the subject matter.

Through our door-to-door interactions, we were able to:

- **Raise awareness:** We effectively communicated the significance of Indian Standards and BIS Care app to a broader audience, ensuring that residents were informed about the issue and its potential impact.
- **Gather insights:** Our interactions with the community provided valuable insights into their perceptions and concerns regarding Indian Standards and BIS Care app. This feedback will be instrumental in shaping future initiatives.
- **Encourage positive action:** We motivated residents to take proactive steps towards addressing Indian Standards and BIS Care app. This included providing them with resources and suggesting practical solutions.

The door-to-door campaign was a resounding success, demonstrating the GCE Salem Standards Club's commitment to community engagement and positive social change. Our members' active participation and dedication to raising awareness have paved the way for further initiatives that will continue to benefit the community.

**Figure 23.1 - Awareness about BIS Standards and BIS Care App**

## 24. Awareness program on Public health and Medical Camp

On October 15, 2022, NSS Units 1, 2, & 4 of GCE (Government College of Engineering), Salem, collaborated with Government Hospital, Omalur conducted a vital awareness program on public health, complemented by a medical camp in Saminayakanpatti village. Attended by 50 participants, the event aimed to bolster health awareness and provide immediate medical services to the local community.

Informative sessions covered essential aspects of public health, emphasizing preventive measures and promoting healthy living. Simultaneously, a medical camp was organized, offering on-the-spot health check-ups, consultations, and basic medical services to the attendees. This collaborative effort between NSS units and GCE, Salem, underscored a commendable commitment to community welfare and healthcare outreach in Saminayakanpatti village.

With 50 participants benefiting from the dual approach of awareness and medical services, the event contributed significantly to improving health literacy and ensuring immediate healthcare access. This initiative serves as a model for community-driven health programs, fostering a healthier and more informed society in Saminayakanpatti and beyond.

**Figure 24.1: Interaction with school students**

## 25. Awareness program on Cleanliness and its importance in public health

On October 16, 2022, NSS Unit-3 organized a pivotal awareness program on cleanliness at Government Elementary School, Saminayakanpatti enlightening 59 students about its paramount importance in public health. The session emphasized the direct correlation between cleanliness and disease prevention, promoting hygiene habits for overall well-being. Interactive discussions and practical insights engaged the students, fostering a deeper understanding of their role in maintaining a clean environment. By addressing the significance of cleanliness within the context of public health, this program aimed to instill a sense of responsibility and contribute to building a healthier and more aware community among the students of Saminayakanpatti Government School.

**Figure 25.1: Cleanliness awareness at Saminaickenpatti Village**

## 26. Mentorship to school students

On October 17, 2022, the NSS Unit-3 organized a transformative mentorship program for school students at Government Elementary School in Saminaickenpatti village, Salem. The initiative aimed to provide students with valuable guidance, support, and inspiration to navigate their academic and personal journeys successfully. Seasoned mentors from various fields shared their experiences, wisdom, and insights, fostering a positive and motivational atmosphere.

The mentorship sessions covered diverse topics, including goal setting, career exploration, and character development. Interactive discussions allowed students to seek advice and clarification on their aspirations and challenges. Through this event, the NSS Unit-3 not only facilitated knowledge transfer but also nurtured a sense of community and collaboration.

The impact of the mentorship program extended beyond the event day, as students reported increased confidence, motivation, and a clearer understanding of their future paths. The initiative underscored the significance of mentorship in shaping the next generation and promoting holistic development among school students.

**Figure 26.1: Interaction session with school students**

## 27. Digital media Awareness program for future generation

On October 18, 2022, the NSS Unit-3 conducted a Digital Media Awareness Program at Government Elementary School in Saminaickenpatti village, Salem, targeting the future generation of students. The initiative aimed to equip students with crucial knowledge and skills to navigate the digital landscape responsibly and safely. Engaging workshops and interactive sessions were organized to raise awareness about the impact of digital media on mental health, privacy, and social interactions.

Experts in the field shared insights on media literacy, distinguishing between reliable and unreliable information, and cultivating a mindful approach to online engagement. Practical tips for maintaining a healthy balance between screen time and other activities were also provided. The program emphasized the importance of critical thinking and responsible digital citizenship, empowering students to make informed decisions in the rapidly evolving digital age. This initiative by NSS

Unit-3 not only addressed the challenges associated with digital media but also fostered a sense of digital literacy and resilience among the participating students. The event played a pivotal role in preparing the future generation to harness the benefits of digital media while being aware of its potential pitfalls, contributing to their overall well-being and informed use of technology.

**Figure 27.1: Awareness on Digital Media to future generations**

## 28. Childcare Awareness

The LEO-Etrics Club organized a significant "Child Care Awareness" event on October 20, 2022, as part of its ongoing commitment to community service at Ananigoundanpatti panchayat union school, Salem. With 60 students, the event aimed to raise awareness about the importance of childcare and highlight key aspects of ensuring the well-being and development of children in the community.

Knowledgeable speakers and experts in the field of child development and care delivered informative presentations. Topics included the importance of early education, nutritional requirements for children, and creating safe home environments.

Participants engaged in interactive workshops covering various aspects of childcare. Workshops included hands-on activities, discussions, and Q&A sessions to encourage active participation and learning. The LEO-Etrics Club distributed informational pamphlets, brochures, and resources on childcare best practices. Participants received practical guides and materials to share with their communities. A community dialogue session allowed participants to share their experiences, discuss challenges, and exchange insights on effective childcare strategies. The open forum facilitated a sense of community and mutual support among attendees.

The Childcare Awareness event had a positive impact on both participants and the community. Attendees expressed increased awareness and understanding of effective childcare practices. The event served as a platform for networking and building connections among community members with shared interests in child welfare. Participants left the event with a heightened sense of responsibility toward childcare and a commitment to implementing the knowledge gained in their respective roles as parents, caregivers, or community members.

## 29. Awareness of using cloth bags in place of plastic bags

As per the instructions from NSS Cell Anna University, Chennai, an awareness campaign on "Meendum Manjappai" had been conducted in the village, "Anai Goundampatty, Omalur (Tk), Salem (Dt). Around 50 NSS volunteers have been participated in the camp. During the campaign, the students conducted a rally with manjappai bags and interacted with the villagers around. The village people were given awareness on the hazards and the adverse effects of using single use plastics (SUP) in their life time. The manjappai bags were also distributed to them and instructed to make use of them for any use.

### **30. ETRICS Meet (Talent Competitions - Providing an opportunity for students to predict their social skill activities)**

The LEO-Etrics Club hosted an engaging event, the "ETRICS Meet," featuring talent competitions and providing a unique platform for students to showcase their social skill activities. The event took place on October 27, 2022, and saw the enthusiastic participation of 65 students each day. The ETRICS Meet aimed to not only uncover hidden talents but also foster social skills and teamwork among the students.

Participants showcased their talents in various competitions, including music, dance, public speaking, and technical demonstrations. Parallel to talent competitions, the event featured interactive workshops focusing on social skill activities. Workshops covered effective communication, teamwork, and leadership development.

The ETRICS Meet had a profound impact on the participants, fostering a spirit of creativity, collaboration, and social engagement. Students expressed gratitude for the opportunity to showcase their talents, build new friendships, and enhance their social skills through the various activities. The event provided a positive and supportive environment that empowered students to embrace their abilities, learn from one another, and develop valuable social skills that extend beyond the realm of talent competitions.

### **31. Donating blood to Govt. Primary Health Centre by the Staffs and Students of GCE, Salem**

A special blood bank camp was organized in our campus on 24.11.2022. The camp was conducted in first year class room complex, GCE, Salem. The camp was jointly organized by all four units of National Service Scheme, GCE, Salem & Primary Health centre, Sarakapillayur. At 10.30 am the camp was started with the presence of our beloved Principal Dr.R.Malayalamurthi & Dr.Ravindaran, Blood bank chief doctor Government Mohan Kumaramangalam Medical College Hospital, Salem and R.Vaithianathan (NSS Unit-1 In-charge), M.Deepak Kumar (NSS Unit-2 In-charge), K.Sakunthaladevi (NSS Unit-3 In-charge), T.Murugesan (NSS Unit-4 In-charge). Mrs.Anandhadhevi blood bank counselor, Hospital Workers and staffs of blood bank lab team containing 20 members were present during the camp.

Volunteers of around 40 students participated and helped the lab team during the camp. Faculties and students from various departments eagerly involved in donating blood. The blood donors were taken care immediately after the donation by providing energy drinks and biscuits. Totally 120 donors participated in the blood donation camp.

## 32. Mega Blood Donation Drive

On the 26th of November 2022, Narasu's Sarathy Institute of Technology became a hub of humanitarianism and compassion as it hosted a momentous blood donation camp. The event witnessed the participation of 25 flight cadets from the NCC Airwing of Government College of Engineering Salem 11, showcasing their commitment to altruism and community welfare.

The camp, initiated around 11:00 am, aimed to address the critical shortage of blood in healthcare facilities and promote the noble cause of voluntary blood donation. It attracted a significant turnout from students, faculty, and local residents eager to contribute to this lifesaving initiative.

The NCC flight cadets, driven by their sense of duty and service, actively engaged in the donation drive. Their participation not only underscored their dedication to social responsibility but also inspired others to join in this act of selflessness.

The event was meticulously organized, adhering to stringent health and safety protocols. Medical professionals supervised the process to ensure the well-being of donors and the proper collection of blood units.

The enthusiasm and spirit of philanthropy were palpable throughout the camp. Donors, including the NCC cadets, demonstrated remarkable empathy and courage, recognizing the invaluable impact of their contributions in saving lives.

The collaborative effort between Narasu's Sarathy Institute of Technology and the NCC Airwing exemplified the power of collective goodwill and solidarity in addressing healthcare challenges. It not only bolstered the blood bank reserves but also reinforced the ethos of social responsibility among the youth.

This blood donation camp served as a poignant reminder of the significance of voluntary blood donation in sustaining healthcare services. It echoed the ethos of compassion and selflessness, fostering a culture of giving that transcends boundaries and makes a tangible difference in the lives of those in need.

### 33. Awareness program on National pollution control day

On the 2nd of December 2022, Government College of Engineering Salem - 11, in collaboration with 25 flight cadets from the NCC Airwing, orchestrated an enlightening awareness program commemorating National Pollution Control Day. The venue provided a fitting platform to address critical environmental concerns and advocate for sustainable practices.

The program aimed to shed light on the detrimental effects of pollution on the environment and human health. Through a series of informative sessions, workshops, and interactive discussions, participants delved into the various facets of pollution, its sources, and potential mitigation strategies.

The active involvement of the NCC flight cadets added vigor and enthusiasm to the program. Their engagement underscored the importance of youth participation in combating environmental challenges and promoting eco-friendly initiatives.

Discussions centered around air, water, and soil pollution, emphasizing the need for collective action to mitigate these threats. Practical solutions such as waste reduction, recycling, and afforestation were highlighted as effective measures in curbing pollution.

The event also featured presentations on the significance of sustainable living, renewable energy adoption, and the role of individuals in creating a cleaner environment. It encouraged attendees to pledge their commitment to reducing their carbon footprint and advocating for eco-conscious practices in their communities.

The collaboration between Government College of Engineering Salem - 11 and the NCC Airwing exemplified a shared commitment to environmental stewardship. It served as a catalyst for raising awareness and fostering a sense of responsibility toward safeguarding the planet.

### **34. The National Voter's Day Awareness Pledge and Rally with School Students**

On January 25, 2023, a significant National Voter's Day Awareness Pledge and Rally unfolded at Karuppur, Salem, involving enthusiastic school students from Government Higher Secondary School, Karuppur. The event, organized to commemorate National Voter's Day, aimed to instill a sense of civic responsibility and awareness about the electoral process among the younger generation. The participants took a solemn pledge to exercise their voting rights judiciously and uphold the democratic values of the nation.

The rally, marked by vibrant banners, slogans, and engaging speeches, meandered through the streets, attracting attention and spreading the message of electoral participation. Eminent speakers addressed the importance of active citizenship, emphasizing the impact of each vote in shaping the nation's future. The event successfully fostered a spirit of democratic engagement among the students, laying the foundation for responsible and informed civic participation as they approach voting age.

### **35. Anti Labor Day Awareness Pledge and Rally with School Students**

On February 9, 2023, the Government of Tamil Nadu and GCE, Salem, organized an impactful Anti-Child Labor Awareness Pledge and Rally, drawing the participation of college and school students. The event aimed to shed light on the detrimental effects of child labor and promote awareness about the importance of eradicating this social issue. Participants, including students and faculty members took a solemn pledge to actively work towards creating a society free from child labor. The rally featured informative sessions, engaging activities, and compelling speeches, fostering a collective commitment to protect the rights and well-being of children. This initiative by the Government of Tamil Nadu and GCE, Salem, played a crucial role in advocating for a child-friendly society and promoting education as a means to uplift future generations.

### 36. Blood Donation Camp

The Rotaract Club of Government College of Engineering, Salem, took a significant step towards community service by organizing a Blood Donation Camp on February 13, 2022, from 10 am to 2 pm. The event aimed to contribute to the noble cause of saving lives through voluntary blood donation. The student members of the Rotaract Club of GCE Salem worked tirelessly to plan and execute the Blood Donation Camp. The committee ensured that all necessary arrangements were in place to facilitate a smooth and successful event. The camp was held within the college premises, providing a convenient and accessible location for both students and staff to participate in the donation drive.

A commendable turnout was observed during the Blood Donation Camp, with a total of 12 students actively participating in the noble cause. Each participant willingly donated blood, demonstrating a strong sense of social responsibility and empathy towards those in need.

The Blood Donation Camp organized by the Rotaract Club of GCE Salem made a significant impact on the local community. The donated blood will contribute to meeting the needs of patients in hospitals, particularly those undergoing surgeries, facing medical emergencies, or dealing with chronic illnesses.

The success of the Blood Donation Camp would not have been possible without the enthusiastic participation of the students and the support of the Rotaract Club members. The organizers extend their gratitude to all participants for their selfless contribution to this life-saving initiative.

### 37. Blood Donation Camp

The LEO-Etrics Club conducted a significant community service event, the "Blood donation Camp," on February 25, 2023. With the participation of 80 students, the event aimed to contribute to the vital cause of blood donation, reinforcing the club's commitment to making a positive impact on the health and well-being of the community.

The event commenced with the registration of participants, ensuring that each potential donor met the necessary health criteria for blood donation. A thorough health checkup was conducted to prioritize the well-being of donors. Donors actively participated in the blood donation sessions, contributing to the collection of a significant amount of life-saving blood.

The Blood Camp organized by the LEO-Etrics Club had a significant impact on both participants and the broader community. The donated blood will contribute to meeting the demands of medical facilities, potentially saving numerous lives in times of emergencies and medical treatments.

### 38. Awareness on World Consumer Rights Day and Rally

The GCE Salem Standards Club is dedicated to promoting community awareness and engagement. In line with this mission, we organized one phase of door-to-door campaign. The phase of campaign was on 18/03/2023 and 19/03/2023 in accordance with World Consumer Rights Day to raise awareness about BIS Standards and BIS Care App. This initiative involved 57 enthusiastic student members who actively engaged with people of different areas to disseminate valuable information and encourage positive action.

Our door-to-door campaign was met with a warm reception from the community. People from different places expressed appreciation for our efforts to bring attention about BIS CARE APP and acknowledged the importance of addressing this issue. The campaign provided a platform for meaningful conversations and allowed us to gauge the community's understanding of the subject matter.

Through our door-to-door interactions, we were able to:

- **Raise awareness:** We effectively communicated the significance of Indian Standards and BIS Care app to a broader audience, ensuring that residents were informed about the issue and its potential impact.
- **Gather insights:** Our interactions with the community provided valuable insights into their perceptions and concerns regarding Indian Standards and BIS Care app. This feedback will be instrumental in shaping future initiatives.
- **Encourage positive action:** We motivated residents to take proactive steps towards addressing Indian Standards and BIS Care app. This included providing them with resources and suggesting practical solutions.

The door-to-door campaign was a resounding success, demonstrating the GCE Salem Standards Club's commitment to community engagement and positive social change. Our members' active participation and dedication to raising awareness have paved the way for further initiatives that will continue to benefit the community.

### **39. Standards Writing Competition - Awareness about the importance of standardization among students**

The Standards Club of GCE Salem and CSI Polytechnic College, Salem organized a BIS Standards Writing Competition at Seminar Hall of Mechanical Department on 29/03/2023 to raise awareness about the importance of standardization among students. The competition was open to all members of the club and attracted 15 teams of two members each. The participants were tasked with writing an informative standard form the given product in a specified format of BIS. The essays were judged on a variety of criteria, including accuracy, clarity, relevance and creativity.

The competition was a resounding success, with participants demonstrating a high level of understanding and interest in BIS standards. The winner and runner teams received respective cash prizes.

- The BIS Standards Writing Competition had a positive impact on the participating students. The competition encouraged them to conduct research, write clear and concise essays and think critically about the importance of standardization.
- The competition also raised awareness of BIS standards among the wider student body. Many students who were not aware of BIS standards before the competition expressed interest in learning more about them.

The GCE Salem Standards Club is a student organization that is dedicated to promoting standardization awareness and education. The club organizes a variety of events and activities throughout the year, including workshops, seminars, and competitions. The club is committed to providing students with the knowledge and skills they need to become future leaders in the field of standardization.

## 40. Awareness on Equality Day Pledge and Rally

On April 13, 2023, the Government of Tamil Nadu, in collaboration with the Government College of Engineering (GCE) Salem, organized a significant event titled "Awareness on Equality Day Pledge and Rally" in Karuppur, Salem. The initiative aimed to foster awareness and commitment to equality among the citizens. Attendees, including students, faculty actively participated in the event, pledging to uphold principles of equality and social justice.

The day began with a pledge-taking ceremony, where participants vowed to promote inclusivity and eliminate discrimination. Following the pledge, a spirited rally took place through the streets of Karuppur, creating a visible display of unity and support for equality.

This collaborative effort by the Government of Tamil Nadu and GCE Salem played a pivotal role in fostering a sense of responsibility and awareness regarding equality issues, contributing to the ongoing social progress in the region.

## 41. Awareness on Disposal Dilemmas: Waste Management

The event "Awareness on Disposal Dilemmas: Waste Management at Five Roads, Salem" organized by the 5 TN AIR SQN (TECH) NCC on April 19, 2023, was a crucial initiative in promoting responsible waste management practices. With 30 participants actively engaging in the program, the focus was on educating the community about the environmental impact of improper disposal and the importance of adopting sustainable waste management solutions.

Various aspects of waste segregation, recycling, and reducing single-use plastic were discussed to empower individuals with practical insights. The event also shed light on the challenges faced in waste management at Five Roads, Salem. Interactive sessions and demonstrations facilitated a better understanding of waste disposal dilemmas and encouraged participants to adopt eco-friendly habits.

By fostering awareness and providing actionable strategies, the event aimed to catalyze positive change in waste disposal habits within the community, contributing to a cleaner and greener environment in Salem.

**Figure 41.1: Awareness on waste management at Five roads, Salem**

## 42. Awareness on Household Waste Management

The event "Awareness on Household Waste Management at Karuppur, Salem," organized by the 5 TN AIR SQN (TECH) NCC on April 27, 2023, effectively addressed the importance of responsible waste management practices within households. With an active participation of 30 individuals, the focus was on educating the community about efficient waste segregation, recycling, and minimizing the environmental footprint.

Interactive sessions and practical demonstrations were employed to impart knowledge on the challenges associated with household waste and the significance of adopting sustainable solutions. Emphasis was placed on the proper disposal of different types of waste, promoting a cleaner and healthier living environment in Karuppur, Salem.

The event successfully encouraged participants to integrate eco-friendly habits into their daily routines, fostering a sense of responsibility towards the community and the environment. By raising awareness and providing practical guidelines, the initiative contributed to building a more environmentally conscious and sustainable community in Karuppur.

**Figure 42.1: Awareness on Household waste management at Karuppur, Salem**

### 43. Awareness on Agricultural Waste Management

The event, "Awareness on Agricultural Waste Management at Karumbalai, Salem," organized by the 5 TN AIR SQN (TECH) NCC on May 3, 2023, successfully engaged by 30 NCC cadets in promoting sustainable agricultural waste management practices.

The event emphasized the environmental impact of improper agricultural waste management and provided practical solutions for responsible disposal, recycling, and composting. Demonstrations and discussions facilitated a better understanding of the importance of minimizing the ecological footprint in farming practices.

By fostering awareness and promoting eco-friendly agricultural waste management techniques, the event contributed to building a more resilient and environmentally conscious farming community in Karumbalai. The knowledge imparted aimed to empower participants to implement sustainable practices for a greener and healthier agricultural landscape.

**Figure 43.1: Awareness on Agricultural waste management at Karumbalai, Salem**

#### 44. Awareness on Waste Disposal Practices - Local Vendors

The event "Awareness on Waste Disposal Practices - Local Vendors at Flower Market, Salem Old Bus Stand," orchestrated by the 5 TN AIR SQN (TECH) NCC on May 12, 2023, saw active participation from local vendors. Aimed at sensitizing the vendors to responsible waste disposal practices, the event addressed the unique challenges faced in the bustling Flower Market at Salem Old Bus Stand.

Through informative sessions and practical demonstrations, the vendors were educated about the environmental impact of improper waste disposal and were provided with sustainable alternatives. Emphasis was placed on segregating and recycling waste, particularly plastic and organic materials commonly found in the flower trade. The event not only heightened awareness but also encouraged the adoption of eco-friendly habits among the vendors, contributing to a cleaner and more sustainable marketplace in Salem.

**Figure 44.1: Awareness on Waste Disposal Practices - Local Vendors at Flower market, Salem old bus stand**
