PAC MINUTES OF MEETING

Programme Advisory Committee (PAC) Meeting of B.E. Mechanical Engineering Programme for the academic year of 2019 – 2020, was held on 15.7.2020 at 10.30 a.m. in the Seminar Hall.

The following Programme Advisory Committee (PAC) Members were present in the meeting and shared their valuable suggestions and feedback.

Internal Members:

Head of the Department: Dr.T.Balusamy, Professor

Program Coordinators: Dr.S.Sivalakshmi, Associate Professor

Senior Faculty Members:

1. Dr.A.Baraniraj, Asst. Professor
2. Dr.M.Raja, Asst. Professor

Program Specific Student Members:

1. Ananth M (Reg.No: 1651004) , IV - Year
2. Susmitha G (Reg.No: 1651084) , IV - Year

Based on the CO – PO attainment consolidation:

1. If CO is attained increase the target level for the next academic year. If it is not attained, then the target level may be revised or an area of additional focus can be identified.
2. Course content has to be organized and delivered in sequence.
3. Students are encouraged to solve more complex problems in concepts related to CO which are not attained.
4. Pre-requisite subjects may be revised, before studying the particular course for which CO is not attained.
5. Industry expert talks can be arranged.

Based on students' feedback:

1. Faculties are encouraged to attend FDPs on their specialization.
2. More focus should be given to slow learners.
3. Try identifying learning difficulties at the earliest through mentor-mentee sessions and class committee meetings.

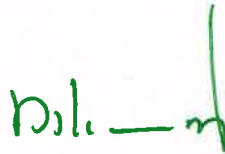

4. For lateral entry students, classes for mathematics may be revised.

Feedback arrives based on Faculty, Alumni, Employer and Parents:

- Strengthen programs that encourage and support entrepreneurial skills among students.
- Integrate more practical, hands-on learning experiences in the curriculum to bridge the gap between theoretical knowledge and real-world application.
