National Science Day was celebrated on 13.03.2023 in Government College of Engineering, Salem. The main objective of celebrating National Science Day is to encourage the Indian youth to develop an interest in and understand the importance of science. It also aims to propagate the importance of science and its application among people.

The Science Day Programme has been observed from 18.02.2023 to 28.02.2023. Competitions such as Animation, Debate, Drawing, Essay writing, Model, Poetry, Poster design, power point presentation, Quiz and Skit were conducted. On 13<sup>th</sup> March, Dr.T.Lalitha, Associate Professor, Sona college of Technology , were presented as Chief Guest. He gave the Chief Guest Address and after that prize has been distributed among the winners of various competitions. Over 450 students were present in the programme. The programme was ended with the National Anthem.

National Science day was celebrated on 13.03.2023 in Government College of Engineering, Salem. The main objective of celebrating National Science Day is to encourage the Indian youth to develop an interest in and understand the importance of science. It also aims to propagate the importance of science and its application among people.

The Science Day Programme has been observed on 16.02.2023 and 17.07.2023. Competitions such as Power point presentation and Working model Expo on the Science theme were conducted. On 28<sup>th</sup> February, Dr. S. Kathiravan, Professor and Head, Department of Psychology, Periyar University, Salem were presented as Chief Guest. He gave the Chief Guest Address and after that prize has been distributed among the winners of Power point presentation and Working model Expo competition. Over 450 students were presented in the programme. The programme was ended with the National Anthem.
