Respected Sir,

Sub: Requesting permission to conduct intra departmental symposium – reg.

We, the final year students of the Department of Computer Science and Engineering are delighted to conduct the renowned intra departmental Symposium, "Revive 22.0" to enlighten the talented minds and provide them an excellent opportunity to improve their skills, which will surely help them with their placement activities. We've been conducting various technical events as a part of this symposium which covers the various aspects of computer engineering.

So, we request you to grant us permission to conduct this symposium on the 15<sup>th</sup> of December, 2022.

Thanking you,

Salem – 636 011
