Inimai Meet (Alumni Meet)

Alumni are great role models for current students and are often well placed to offer practical support to students as they start their careers. Alumni are often in the position to engage the expertise of the institution in their professional lives. Alumni network has a real-life benefit for current students. Alumni also donate their valuable time to offer career support to current students.

The LEO-Etrics Club hosted a memorable event, the "Inimai Meet" on June 10, 2022, bringing together alumni, current members, and supporters of the club. The event aimed to strengthen connections, celebrate achievements, and foster a sense of camaraderie among individuals who share a common commitment to community service. The event began with a warm welcome, setting the tone for a friendly and inclusive atmosphere. Participants were greeted with enthusiasm, fostering a sense of belonging.

Interactive sessions were conducted, allowing both alumni and current members to engage in meaningful conversations. Discussions included reflections on the impact of the LEO-Etrics Club on personal and professional growth.

Home Visit 1 Thai Anbu Illam

The LEO-Etrics Club organized a compassionate home visit to Thai Anbu Illam on June 11, 2022, reflecting the club's commitment to community service and outreach. With the participation of 60 students, the event aimed to bring joy, companionship, and support to the residents of Thai Anbu Illam, underscoring the importance of caring for those in need. The participants from the LEO-Etrics Club were warmly welcomed by the residents of Thai Anbu Illam, creating an immediate atmosphere of camaraderie.

Participants engaged in heartfelt conversations with the residents, learning about their life stories and experiences. The interactions were marked by laughter, smiles, and a sense of shared connection. Essential items were distributed with care and consideration for the specific needs of each resident. The gesture was met with gratitude, and the residents appreciated the support from the LEO-Etrics Club.

The home visit to Thai Anbu Illam had a meaningful impact on both the participants and the residents. The joy and appreciation expressed by the residents highlighted the success of the event in bringing happiness and a sense of community to Thai Anbu Illam. Participants from the LEO-Etrics Club expressed a deepened understanding of the importance of compassion and service. The experience reinforced the club's commitment to organizing more initiatives that contribute to the well-being of different segments of the community.

Home Visit 2 Nesakarangal

The LEO-Etrics Club continued its commitment to community service with a heartfelt home visit to Nesakarangal on June 11, 2022. With the participation of 60 individuals, the event aimed to bring warmth, companionship, and essential support to the residents of Nesakarangal, reflecting the club's dedication to making a positive impact in the community. Participants from the LEO-Etrics Club received a warm welcome from the residents of Nesakarangal, fostering an immediate sense of connection and community. Essential items, including food packages and personal care items, were distributed to the residents. The thoughtful contributions were met with gratitude, and residents expressed appreciation for the support.

The home visit to Nesakarangal had a meaningful impact on both the participants and the residents. The expressions of gratitude and joy from the residents underscored the success of the event in bringing comfort and a sense of community to Nesakarangal. Participants from the LEO-Etrics Club reflected on the importance of compassion and service, reiterating the club's commitment to creating positive experiences for those in need.

Child care Awareness

The LEO-Etrics Club organized a significant "Child Care Awareness" event on October 20, 2022, as part of its ongoing commitment to community service. With 60 students, the event aimed to raise awareness about the importance of child care and highlight key aspects of ensuring the well-being and development of children in the community.

Knowledgeable speakers and experts in the field of child development and care delivered informative presentations. Topics included the importance of early education, nutritional requirements for children, and creating safe home environments.

Participants engaged in interactive workshops covering various aspects of child care. Workshops included hands-on activities, discussions, and Q&A sessions to encourage active participation and learning. The LEO-Etrics Club distributed informational pamphlets, brochures, and resources on child care best practices. Participants received practical guides and materials to share with their communities. A community dialogue session allowed participants to share their experiences, discuss challenges, and exchange insights on effective child care strategies. The open forum facilitated a sense of community and mutual support among attendees.

The Child Care Awareness event had a positive impact on both participants and the community. Attendees expressed increased awareness and understanding of effective child care practices. The event served as a platform for networking and building connections among community members with shared interests in child welfare. Participants left the event with a heightened sense of responsibility toward child care and a commitment to implementing the knowledge gained in their respective roles as parents, caregivers, or community members.

Etrics Meet (Projects Activity)

In the year 2022-2023, our first weekly meeting started on 20/10/22. Etrics weekly meets were conducted on every Thursdays at 4.30 to 5.50pm. In every club meet, our goal is to improve the confidence level of the students and encourage them to participate in the events conducted for them. These Projects Activity events consist of info sharing, communication games, solo games, duo games and group activities. This kind of activity will enhance their self-confidence and their ability to work with a team. Prizes will be distributed for the winners and the active participants which will encourage the other members to participate eagerly.

ETRICS Meet (Talent Competitions - Providing an opportunity for students to predict their social skill activities)

The LEO-Etrics Club hosted an engaging event, the "ETRICS Meet," featuring talent competitions and providing a unique platform for students to showcase their social skill activities. The event took place on October 27, 2022, and saw the enthusiastic participation of 65 students each day. The ETRICS Meet aimed to not only uncover hidden talents but also foster social skills and teamwork among the students.

Participants showcased their talents in various competitions, including music, dance, public speaking, and technical demonstrations. Parallel to talent competitions, the event featured interactive workshops focusing on social skill activities. Workshops covered effective communication, teamwork, and leadership development.

The ETRICS Meet had a profound impact on the participants, fostering a spirit of creativity, collaboration, and social engagement. Students expressed gratitude for the opportunity to showcase their talents, build new friendships, and enhance their social skills through the various activities. The event provided a positive and supportive environment that empowered students to embrace their abilities, learn from one another, and develop valuable social skills that extend beyond the realm of talent competitions.

Blood Camp

The LEO-Etrics Club conducted a significant community service event, the "Blood Camp," on February 25, 2023. With the participation of 80 individuals, the event aimed to contribute to the vital cause of blood donation, reinforcing the club's commitment to making a positive impact on the health and well-being of the community.

The event commenced with the registration of participants, ensuring that each potential donor met the necessary health criteria for blood donation. A thorough health checkup was conducted to prioritize the well-being of donors. Donors actively participated in the blood donation sessions, contributing to the collection of a significant amount of life-saving blood.

The Blood Camp organized by the LEO-Etrics Club had a significant impact on both participants and the broader community. The 80 individuals who participated in the event demonstrated a collective commitment to community health and well-being. The donated blood will contribute to meeting the demands of medical facilities, potentially saving numerous lives in times of emergencies and medical treatments.

Inauguration – Awareness on service programs for students, "How to become positive agents of their community"

On April 27, 2023, the LEO-Etrics Club proudly inaugurated an impactful event focused on creating awareness about service programs for students and empowering them to become positive agents of their community. With the enthusiastic participation of 200 students, the event aimed to inspire a sense of social responsibility and encourage active engagement in community service initiatives. The event began with an inspiring keynote address delivered by a renowned speaker, highlighting the transformative power of service and the potential of students to lead change.

Representatives from the LEO-Etrics Club presented an overview of ongoing and upcoming service programs, illustrating the diverse opportunities available for student involvement. The inauguration event generated significant enthusiasm and a sense of purpose among the 200 participants. Attendees expressed a heightened awareness of their potential as positive agents of change and a commitment to actively contribute to the betterment of their communities.

The LEO-Etrics Club witnessed increased interest and engagement from students, reflecting a growing dedication to community service and a desire to make a meaningful impact.
