## Campus overall cleaning

Campus overall cleaning was done at GCE, Salem Campus. The entire department Verandas and nearby areas including Hostels and common blocks were cleaned. The bushes and unwanted plants were removed using bulldozers. And the cleaning was held for two days. The overall campus cleaning was successfully done. Even the ground and the area near by Bank present inside the college were also cleaned. The student participation was very eager to remove the waste.

## Awareness on COVID-19

Government College of Engineering, Salem -11 created an awareness program on COVID\_19 for the people of C.Kollapatti, Saminayakkanpatti Salem. A rally was organized in the area with 100 numbers of students. We explained the source and cause for COVID-19 with its remedies. People were very eager in listening to the awareness program. We have visited the C.Kollapaty village and met village administrative officer for getting permission to give awareness on COVID-19. The students were eagerly participated in giving awareness about COVID-19 to the people of “C.Kollapatty” village, Salem.

## **Regular cleaning**

The National Service Scheme (NSS) of GCE, Salem has 4 units which are being instructed and guided by the NSS Cell, Anna University, Chennai. Each unit is allotted with one Program Coordinator and 100 students from all 6 UG regular courses. The NSS volunteers are involved in regular cleaning and maintenance activities inside the college campus during evening hours. The students were encouraged to plant trees to keep the college campus green. The students were able to learn and experience keeping their environment clean and green through the activities.
