## **World Standards Day**

The GCE Salem Standards Club is dedicated to promoting community awareness and engagement. In line with this mission, we organized one phase of door-to-door campaigns. The door -to -door campaign was conducted on 14/10/2022 (Standards Day) to raise awareness about BIS Standards and BIS Care App.

Our door-to-door campaign was met with a warm reception from the community. People from different places expressed appreciation for our efforts to bring attention about BIS CARE APP and acknowledged the importance of addressing this issue. The campaign provided a platform for meaningful conversations and allowed us to gauge the community's understanding of the subject matter.

Through our door-to-door interactions, we were able to:

- **Raise awareness:** We effectively communicated the significance of Indian Standards and BIS Care app to a broader audience, ensuring that residents were informed about the issue and its potential impact.
- **Gather insights:** Our interactions with the community provided valuable insights into their perceptions and concerns regarding Indian Standards and BIS Care app. This feedback will be instrumental in shaping future initiatives.
- **Encourage positive action:** We motivated residents to take proactive steps towards addressing Indian Standards and BIS Care app. This included providing them with resources and suggesting practical solutions.

The door-to-door campaign was a resounding success, demonstrating the GCE Salem Standards Club's commitment to community engagement and positive social change. Our members' active participation and dedication to raising awareness have paved the way for further initiatives that will continue to benefit the community.

## World Consumer Rights Day

The GCE Salem Standards Club is dedicated to promoting community awareness and engagement. In line with this mission, we organized one phase of door-to-door campaign. The phase of campaign was on 18/03/2023 and 19/03/2023 in accordance with World Consumer Rights Day to raise awareness about BIS Standards and BIS Care App. This initiative involved 57 enthusiastic student members who actively engaged with people of different areas to disseminate valuable information and encourage positive action.

Our door-to-door campaign was met with a warm reception from the community. People from different places expressed appreciation for our efforts to bring attention about BIS CARE APP and acknowledged the importance of addressing this issue. The campaign provided a platform for meaningful conversations and allowed us to gauge the community's understanding of the subject matter.

## Standards Writing Competition

The Standards Club, GCE Salem organized a BIS Standards Writing Competition at Seminar Hall of Mechanical Department on 29/03/2023 to raise awareness about the importance of standardization among students. The competition was open to all members of the club and attracted 15 teams of two members each. The participants were tasked with writing an informative standard form the given product in a specified format of BIS. The essays were judged on a variety of criteria, including accuracy, clarity, relevance and creativity.

The competition was a resounding success, with participants demonstrating a high level of understanding and interest in BIS standards. The winner and runner teams received respective cash prizes.

- The BIS Standards Writing Competition had a positive impact on the participating students. The competition encouraged them to conduct research, write clear and concise essays and think critically about the importance of standardization.
- The competition also raised awareness of BIS standards among the wider student body. Many students who were not aware of BIS standards before the competition expressed interest in learning more about them.

The GCE Salem Standards Club is a student organization that is dedicated to promoting standardization awareness and education. The club organizes a variety of events and activities throughout the year, including workshops, seminars, and competitions. The club is committed to providing students with the knowledge and skills they need to become future leaders in the field of standardization.
